Proceedings of the Board of Revenue, 8th December 1873, *No.* 8383 (*Miscellaneous*).

Read the following letter from H. E. SULLIVAN, Esq., President of the Local Fund Boards, South Arcot District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Virdachellum, 23rd September 1873, No. 347:—

With reference to the enclosed copy of letter, No. 317, dated 30th July last, from the Deputy Collector on General Duty, the Local Fund Board of the Cuddalore Circle passed the following resolution at their meeting held on the 21st of last month:—

"Read letter, No. 317, of the 30th July 1873, from the Deputy Collector, applying for sanction of Rupees 20 per mensem additional allowance from the Local Funds to be paid to Police Hospital Assistant, Trinomalay, for treating the public patients who may apply to him for medical aid, and that the necessary medicines be supplied by the Local Fund Board.

"Resolved that the sum of Rupees 120 for six months in the current year be sanctioned, and the Superintendent of Police be asked whether the services of the Hospital Assistant can be made available for this additional work."

2. The Superintendent of Police has no objection to spare the services of the Police Hospital Assistant at Trinomalay.

3. I have, therefore, the honour to request that sanction may be accorded for the payment of the proposed additional allowance from Local Funds. At the same time I would observe that, in my opinion, the remuneration proposed is more than is necessary.

From C. SRIBALIAH, Deputy Collector on General Duties, South Arcot, to H. E. SULLIVAN, Esq., President of the Local Fund Boards, South Arcot, dated Trinomalay, 30th July 1873, No. 317.

I have the honour to submit, for the consideration of the Local Fund Board, a copy of arzi, No. 268, dated 17th April 1873, from the Tahsildar of Trinomalay, suggesting that a hospital may be built at Trinomalay, and that, as a temporary measure, the Hospital Assistant in charge of the Police Hospital may be allowed a small addition to his pay, and required to treat also other than the Police sick.

2. The correspondence that has of late taken place between your (Collector's) office and mine in connexion with the fever cases renders it hardly necessary for me to adduce any grounds for complying with the Tahsildar's suggestion. I would, therefore, recommend that early steps be taken for the erection of a Civil Hospital in the town, and that, as a measure of immediate relief, an allowance of Rupees 20 per mensem be made to the Police Hospital Assistant, and he required to treat the patients applying to him for medical help.

Before submitting to Government the proposal contained in the foregoing letter, the Board desire the President to furnish information on the following points:—

1*st*.—Whether there is a Police Hospital at Trinomalay.

2*nd*.—What salary and allowance does the Hospital Assistant at that place now get.

3*rd*.—What remuneration would the President propose for the medical assistance expected of the Hospital Assistant.

Letter from H. E. SULLIVAN, Esq., President of the Local Fund Boards, South Arcot District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 12th December 1873, No. 480.

In reply to the Board's Miscellaneous Proceedings, dated 8th instant, No. 8383, I have the honour to give, below, the information therein called for regarding the Police Hospital Assistant at Trinomalay :—

1. There is a Police Hospital at Trinomalay.

2. The Hospital Assistant gets a salary of Rupees 40 per mensem, and no allowance.

3. I am of opinion that an additional allowance of 10 Rupees per mensem from Local Funds would be ample.

The Board resolve to request Government to permit the Local Fund Board of the Cuddalore Circle to pay the Police Hospital Assistant at Trinomalay an allowance of Rupees 20 a-month for treating patients. The President (differing from the Local Fund Board) thinks that Rupees 10 will be enough, but the Board doubt it.

No. 172. From Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 9th February 1874, No. 57.

I have the honour to reenclose the marginal documents referred to me for my remarks in your memorandum of 5th instant.

Proceedings of the Board of Revenue, No. 692 (Miscellaneous), dated 2nd February 1874, with copy of letter from President, Local Fund Boards, South Arcot, and Board's Proceedings, No. 8383 (Miscellaneous) of 1873.

2. In these documents, permission is asked to employ, for the Local Fund Board of Cuddalore, the Police Hospital Assistant at Trinomalay, for which the Local Fund Board and the Revenue Board

recommend that the Hospital Assistant receive a monthly allowance of 20 Rupees, but the President names 10 Rupees.

3. It will be preferable, in this instance, for action to be taken similar to the other cases enumerated in my recent letter, No. 44, dated 3rd February 1874. The Local Fund Board should take over the Hospital Assistant to be the medical officer of their proposed dispensary, and Government can pay for the Police the twenty-five per cent. of his salary.

4. I beg, however, to mention that the Police medical officer at that place is a Hospital Assistant, and though I quite approve of his employment in the manner proposed, the proposal is, nevertheless, not in accordance with the views in G.O., No. 960, of 17th September 1873. I will shortly be addressing Government on this special subject, and in the meantime suggest compliance with this request. The request reported on in my No. 44 of 3rd instant did not embrace charge of a dispensary.
