Proceedings of the Madras Government, Financial Department,
27th February 1874.

No. 206. Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 11th February 1874, No. 215:—

I have the honour to append copy of a letter from the Inspector of Schools, 5th Division.

2. It will be seen that Mr. Marden and the President of the Local Fund Boards, Tinnevelly, desire the educational charge of a certain taluq to be transferred from the Deputy Inspector of Schools for the Circle to which the taluq belongs to the Deputy Inspector for the other Circle of the district.

3. I consider I have not the power to make such a transfer permanently and consequently I refer the question for the orders of Government.

4. I fear that if such transfers are to be made whenever circumstances render existing arrangements inconvenient confusion and other evils will be introduced into our educational system. It may be fitting to revise the allotment of taluqs to Circles, but I think a revised allotment should be made upon general considerations and that when made it should be binding upon all departments—Revenue, Education, &c.

From T. MARDEN, Esq., Inspector of Schools, 5th Division, to E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, Madras, dated Palamcottah, 6th February 1874 No. 53.

Finding that the work of inspecting Results' schools in North Tinnevelly is more than can be performed by one Deputy Inspector in consequence of all lower-class schools having been put on the Results' system, I have consulted with the President, Local Fund Board, and have now the honour to recommend that the Sankaranainarcovil Taluq, which belongs to the Tinnevelly Circle, should be transferred to the charge of Mr. Armstrong, Deputy Inspector of the Shermadevy Circle.

2. Should the work increase in the same ratio as it has done lately it will probably be necessary to appoint a Deputy Inspector in the course of next year.

P S.—The President has just written to me to issue the necessary orders, which I will do immediately I receive your sanction.

No. 207. ORDER THEREON, 27th February 1874, No. 321.

As the appointment of a Deputy Inspector in the course of the coming year is contemplated and would render the permanent transfer of the taluq unnecessary the Director of Public Instruction is authorized to sanction the temporary arrangement.
