No. 212. Read the following letter from J. B. PENNINGTON, Esq., President of the Municipal Commission, Trichinopoly, to the Honourable W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Trichinopoly, 5th February 1874, No. 77 :—

I have the honour to bring to the notice of Government the correspondence between myself and the Controller of the Public Works Accounts regarding the amount contributed by Government towards the construction of the new Civil Dispensary in this Municipality. On his requesting me to address the Government so as to obtain sanction without which he cannot pass the expenditure, I replied (with reference to G.O., No. 1302, dated 12th September 1873, Financial Department,) that *re*sanction is not necessary. He, however, writes again that he is aware of the order, but that nevertheless formal sanction is necessary for the expenditure as the grant was made in 1872-73. I have, therefore, the honour to request the orders of Government on the subject.

From T. MOSS, Esq., Officiating Controller of Public Works Accounts, to J. B. PENNINGTON, Esq., President of the Municipal Commission, Trichinopoly, dated Fort St. George, 4th November 1873, No. 62.

From a letter* received from the Accountant-General, Madras, and its accompaniments, I observe that, of the sum of Rupees 4,630 advanced to you in May 1872, by the Trichinopoly Range Officer, on account of the construction of a Dispensary at Trichinopoly, Rs. 3,937-0-6 were remitted into the Treasury in August last, but that in the following month the amount was refunded to you for expenditure on the work.

* No. 5839, of 2nd October 1873.

2. The Acting Collector of Trichinopoly informed this office on the 4th December 1872, No. 158, that instructions had been issued for the submission of statements of expenditure for audit, but up to this time no accounts have been received, and consequently the advance of Rupees 4,630 above mentioned remains unadjusted, and will so remain until audit of abstracts of receipts and disbursements, which I beg may be submitted monthly (in the annexed form) until the entire expenditure is accounted for. But before submitting abstracts for audit it will be necessary for you to obtain the sanction of Government to a formal grant of Rupees 4,630 from the Budget of the current year, as, according to the rules of the department, my audit of your expenditure must be against a definite grant in 1873-74, the provision made in the Budget of 1872-73 having lapsed with that year.

From T. MOSS, Esq., Officiating Controller of Public Works Accounts, to J. B. PENNINGTON, Esq., President of the Municipal Commission, Trichinopoly, dated Fort St. George, 23rd December 1873, No. 357.

With reference to your letter, No. 73, dated 13th ultimo, I have the honour to invite your attention to the latter portion of my letter of the 4th idem, No. 62, and to request that you will be good enough to take measures for obtaining the required Budget grant, without which I will not be in a position to pass your abstract of expenditure for Rupees 692-15-6, nor those which yet remain to be submitted for the balance of Rupees 3,937-0-6.

From J. B. PENNINGTON, Esq., President of the Municipal Commission, Trichinopoly, to T. MOSS, Esq., Officiating Controller of Public Works Accounts, dated Trichinopoly, 16th January 1874, No. 43.

In reply to your letter, No. 357, dated 23rd December last, I have the honour to inform you that, originally, the Government sanctioned the payment of 4,630 Rupees in their Order, No. 1155,

dated 18th August 1869, which sum the Department of Public Works paid to the Municipality in 1872-73. The Commissioners spent Rupees 692-15-6 during the year, and refunded the remainder.

2. The President on the 23rd August 1873 addressed the Government to resanction the sum that was refunded, and obtained sanction (*vide* G.O., No. 1302, dated 12th September last, in Financial Department), and no further sanction appears to be necessary.

From T. MOSS, Esq., Officiating Controller of Public Works Accounts, to J. B. PENNINNGTON, Esq., President of the Municipal Commission, Trichinopoly, dated Fort St. George, 29th January 1874, No. 351.

I have the honour to acknowledge the receipt of your letter, No. 43, of the 16th instant, and to state that I was aware of the orders contained in Government Proceedings, No. 1302, of the 12th September 1873, when I wrote my letter, No. 62, of the 4th November last. For the reasons stated in the concluding portion of that letter, it is necessary that a formal grant should be made in the current year to bear the debit of expenditure, and I have no doubt that the Government in the Financial Department will make a formal grant if you will explain the matter as I have done.

No. 213. ORDER THEREON, 27th February 1874, No. 326.

Under the circumstances represented in the foregoing papers, the Governor in Council authorizes the grant from the Public Works Budget Allotment—Provincial Services—for the current year, of Rupees (4,630,) four thousand six hundred and thirty, being the contribution sanctioned in 1869 towards the cost of the Trichinopoly Civil Dispensary.
