Proceedings of the Madras Government, Financial Department,
4th March 1874.

No. 26. Read the following Proceedings of the Board of Revenue, dated 19th February 1874, No. 376:—

Read the following letter from J. B. PENNINGTON, Esq., President of the Local Fund Board, Trichinopoly, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 29th January 1874, No. 6:—

I HAVE the honour to request that I may be informed if any orders were passed on the Proceedings of the Board of Revenue, No. 2340, dated 17th November 1873.

2. I am under the impression that I saw some notice of a Government order in the newspapers, but have received no official intimation of the fact, so that the Vaccination Department is somewhat disorganized and no one knows who is in charge of it, *e.g.*, the Superintendent-General has just promoted a Vaccinator whom I had suspended pending an inquiry into his conduct, and I have had to point out to him that, in my opinion, he has no longer any executive functions in this district.

3. I take the opportunity of suggesting that Government should be moved to send a copy of any orders affecting the Local Fund Board *direct* to the President, instead of through the Board of Revenue, especially as such orders are almost always communicated to the Press immediately, and those concerned are prevented from acting on them, though aware of the orders, for want of official intimation of them.

SUBMITTED to Government with reference to Board's Proceedings, dated 17th November 1873, No. 2340, which has not been disposed of yet.

2. The Board are not prepared to support the proposal in paragraph 3.
