No. 30. Read the following Proceedings of the Board of Revenue, dated 21st February 1874, No. 1209 (Miscellaneous):—

Read the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Vellore, 4th February 1874, No. 57:—

There is an old choultry known by the name of Chetti Chuttrum and a well situated in the village of Thethurai, in the Wandewash Taluq, on the chief road used by pilgrims going to Conjeveram. The chuttrum has long been in existence, but is now in a ruinous state. It is unclaimed, and though particular inquiries have been made it never could be ascertained who the original owner was or whether he has left any heirs.

2. The Local Fund Board, Vellore Circle, are of opinion that the chuttrum if repaired will be very beneficial to a great number of travellers, and they desire that the chuttrum and the well may be formally transferred to them in order that the former may be repaired and made habitable for the use of travellers. I trust the Board of Revenue will approve of this proposal and move Government to publish the necessary notice in the Gazette.

With the consent of Government the Board will transfer all their authority over the chuttrum named in this letter to the Vellore Local Fund Board.
