No. 63. Read the following letter from J. F. PRICE, Esq., Acting President of the Municipal Commission, Salem, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Salem, 22nd November 1873, No. 105 :—

With reference to paragraph 2 of G.O., No. 1520, of the 17th ultimo, I have the honour to explain as follows.

2. The sum of Rupees 5,021 in Column 6, Statement I.-A, is, as conjectured, the municipal contribution for the year.

3. As regards the supposed discrepancy in Statement IV.-A, Current, Tax on Arts, &c., the necessary explanation is contained in the remark column.

4. The sum of Rupees 240, referred to in paragraph 3 as the whole sum expended during the year on improving the water-supply, was expended on new wells only; if to this be added the repairs and cleansing of wells, &c., the sum will be more than doubled, exclusive of nearly 800 Rupees spent on drainage works, whereby the water-supply is materially, though indirectly, improved.

No. 64. ORDER THEREON, 6th March 1874, No. 376.

The explanatory remark alluded to in paragraph 3 was not overlooked by Government, but a return correctly prepared is preferable to an incorrect one however explained.

2. It is satisfactory to find that rather more was done for the water-supply than could be gathered from the statements submitted.
