Proceedings of the Madras Government, Financial Department,
6th March 1874.

No. 65. Read the following letter from H. E. STOKES, Esq., Secretary to the Civil Fund, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort Saint George, dated Madras, 24th February 1874, No. 98:—

I am desired by the Managers of the Civil Service Annuity Fund to inform you that, on closing the accounts of the fund for the year 1872-73, I find that there is a deficiency of Rupees 2,44,227-1-0 in the unappropriated branch of the fund which was not provided for in the Budget Estimate. This deficiency was caused partly by unanticipated admission of annuitants, partly by erroneous estimate of the adjustments on account of interest between the appropriated and unappropriated funds, and partly by deficiency in the actual yield of subscriptions. I am, therefore, desired to forward the accompanying supplemental estimate of charges against Government on account of deficiency to be credited to the fund above mentioned during the year 1873-74, in continuation of that furnished to Government with my letter, dated 12th December 1872, No. 495, and to request that you will be good enough to obtain the sanction of the Government of India for crediting the fund with the amount, Rupees 2,44,227-1-0, on the 1st April 1873.

No. 66. ORDER THEREON, 6th March 1874, No. 377.

Resolved that, under the circumstances represented in the foregoing letter, application be made to the Government of India for a supplemental grant of Rupees 2,44,227-1-0, for the current year, on account of the Civil Service Fund.
