Proceedings of the Madras Government, Financial Department,
25th March 1874.

No. 218. Read the following Proceedings of the Board of Revenue, dated 13th March 1874, No. 571:—

Read the following letter from R. W. BARLOW, Esq., President of the Local Fund Boards, Chingleput District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Pakum, 16th February 1874, No. 13:—

ADVERTING to Lieutenant-Colonel Mullins' Memorandum, printed with the Proceedings of Government, Financial Department, dated 24th ultimo, No. 124, I wish to remark, in case my former representations might be considered to have misled the Board, that although it is quite true, to quote Colonel Mullins' words, that "the Chembrumbakam Tank does not, as the Board of Revenue have supposed, render the reconstruction of the fallen bridge on the 20th mile of the Great Western Trunk Road necessary" *with reference to the smaller project;* still, as an expensive high level road was constructed sometime ago with this bridge since carried away, *in view to the* 15 *feet project*, and as it would cost far more than the repair of the bridge to restore the old abandoned track to working order (I know the spot well), it must at all events be conceded that the Chembrumbakam Tank *project* has necessitated the outlay.
