My dear Brooks

The resolution arrived at on your letter dated 24th June last No 51 "applying for permission to expend Rs 2618-13-8 in purchasing a raw of unsightly huts close to the Agraharam and Allimicihab office" is that you may so employ this money keeping an account thereof.

A formal order will be issued to you on the subject. The expenditure can be shewn hereafter in your future report on the improvements effected.

It is all irregular and though a useful proceeding it

it had better not be
the subject of a formal
order.

Yours truly.
