No. 271. Read the following Proceedings of the Board of Revenue, dated 6th March 1874, No. 503 :—

Read the following letter from A. WEDDERBURN, Esq., President of the Local Fund Board, Coimbatore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 3rd February 1874, No. 6 :—

I HAVE the honour to forward, for the sanction of Government, an estimate of Rupees 7,500, for renewing the wood-work and raising the piers of the Kallar Bridge on the road from Mettapolliem to Coonoor, duly approved by the Local Board at their last meeting held under date the 26th January 1874.

1 Plan, 1 Estimate, and 1 Specification.

The greater portion of the wood-work was reported to be rotten, and as the bridge did not provide sufficient waterway, it was considered expedient to raise the piers at the same time as renewing the timber.

2. As regards funds for the works, the District Engineer has surrendered the following allotments, viz. :—

	Rs.
1.—Oopar Bridge and Road diversions, Budget Item No. 3 of 1873-74.	1,000
2.—Arasoor Bridge and Road diversions—*Vide* Revenue Board's Proceedings, Nos. 2,196 and 2,208 of 28th and 29th October 1873, respectively, this work having since been considered unnecessary by the Local Board	3,879

Total Rupees 4,879, leaving Rupees 2,621 to be met from the General Fund Balance, under which head Rupees 4,200 are available.

3. The District Engineer has further surrendered the following allotments under the head of General Fund, viz. :—

	Rs.
1.—Constructing Tirpoor Chuttrum out of the allotment of Rupees 5,820, sanctioned in Revenue Board's Proceedings, No. 2,196 of 28th October 1873	2,820
2.—Konghiem School, Budget Item No. 6 of 1873-74...	1,000
Total...	3,820
Add Balance already under General Fund	1,579
Total...	5,399

As the Supreme Government are averse to any balance being left unworked at the end of the year, I would suggest that Rupees 4,135 of the above amount and Rupees 1,000 each from the lump allotments for Chuttrum repairs and Sanitary charges respectively, total Rupees 6,135, be transferred to the Road Fund, and allotted to the following works on which the District Engineer hopes to spend amounts as shown opposite each work, viz. :—

New works.

	Rs.
1.—Improving the road from Coimbatore Railway Station to the Madura frontier at the Amaravutty River, in addition to Rupees 5,000 already allotted in Revenue Board's Proceedings, No. 2,196 of 28th October 1873	4,000

Repairs.	Rs.
2.—Road from Paumben on the Madura coast to Palghaut *via* Ramnad, Madura, Palany, and Pollachy, with branch from Pollachy to Coimbatore	500
3.—Road from Caroor Railway Station to foot of Coonoor Ghaut ...	200
4.—Repairing Road from Caroor to Kannivady between Nagambully and Aravacoorchy	1,435
Total...	6,135

4. I have the honour to request that the Revenue Board will be pleased to pass early orders on this letter; the works will all be proceeded with in anticipation of sanction, so as to make the most of the remainder of the official year.

Enclosure No. 1.—Plan.

The estimate for renewing the wood-work and raising the piers of the Kallar Bridge at a cost of Rupees 7,500 will be submitted for the sanction of Government.

2. Subject to the approval of the estimate by Government the transfers of Road Fund allotments proposed in paragraph 2 are sanctioned.

3. The Local Fund Board wish to transfer Rupees 8,756 from the General Fund to the Road Fund and spend Rupees 2,621 on the Kallar Bridge and Rupees 6,135 on the works named in paragraph 3.

(Signed) J. GROSE,
Secretary.

No. 272. Order thereon, 30th March 1874, No. 532.

The estimate submitted with the above Proceedings is sanctioned.

2. The Government cannot permit the proposed transfer to the Road Fund from the General Fund. The President will report the circumstances under which the allotments specified in paragraph 3 of his letter were surrendered by the District Engineer, and will at the same time submit proposals for the utilization of the amount on legitimate objects of General Fund expenditure.
