Proceedings of the Madras Government, Financial Department,
7th April 1874.

No. 46. Read the following Proceedings of the Board of Revenue, dated 21st February 1874, No. 1171 (Miscellaneous) :—

Read the following letter from J. HOPE, Esq., President of the Local Fund Board, Kurnool, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Kurnool, 6th February 1874, No. 48 :—

With reference to paragraph 6 of the Revenue Board's Proceedings, No. 2625, dated 23rd December 1873, I have the honour to subjoin the resolution passed by the Local Fund Board on the subject of the proportion of cost of salary, &c., which should be contributed by Municipalities to Inspecting Schoolmasters.

2. As regards paragraphs 16 and 32 of the Proceedings under reply, the District Engineer has been requested to send, at an early date, the plans and estimates required for the four Schoolhouses and the Nundial Dispensary, and also to expedite the despatch of the road map.

RESOLUTION.

Present.

James Hope, Esq., *President.*
N. Gopalakrishnamma Chetty Garu, *Deputy Collector.*
T. Narayanasastri Garu, *Deputy Inspector of Schools.*
P. Vasudeva Row Garu, ,,

"The share of their attention bestowed by Inspecting Schoolmasters on Municipal Schools is so small that the Board do not think it worth while to exact a contribution from Municipalities towards their salaries. If, however, the Revenue Board adhere to their opinion, the Board consider that 20 Rupees would be a sufficient con bution for Kurnool Municipality, and Rupees 5 for Cumbum, to pay for their respective Inspecting Schoolmasters."

Submitted to Government in continuation of Board's Proceedings, dated 23rd December 1873, No. 2625.

2. The Board think it best that the Municipalities should make some small payment because they will in this way become entitled to the services of Inspecting Schoolmasters as a right instead of as a favour.

The Board of Revenue
are dealing with each
budget in this manner.
The general principle was laid down in 1872 but a
little difficulty has now arisen as to pay the full
charges for Deputy Inspectors and some Munici-
palities do not require Inspecting Schoolmasters

W. C. Cook
With an Order

Memo with reference Remarks on the accompanying Draft order

When Local Boards were established the principle was laid down that both the City and Municipalities should contribute for Educational Inspection.

When the House Tax was abolished it was decided that Govt should resume the payment of Inspectors in full from Provincial Funds. The payment of Inspecting Schoolmasters who are employed chiefly on elementary Education being still left to Local Fund Boards.

For the sake of convenience Municipalities have always paid their share through

Local Fund Boards in the
charge of a contribution for
inspection, and the recent
orders above alluded to
have necessitated a re-
adjustment of these con-
tributions - and a cessation
of them in the case of
those Municipalities who
do not require the services
of Inspecting Schoolmasters
~~the for~~ whose duty is
as a rule to deal with
indigenous schools having
small grants, or desiring
to do so.

In reviewing Local Fund
budgets the Bd of Revenue
are directing the payment
of a rateable contribution
in the case of Municipalities
which avail themselves of

the services of Local
Fund Inspecting School-
masters. - The Kurnool
Local Fund Board consider
the rateable contributions
for one year the Munici-
palities [illegible] to be so trifling
that they are willing to
forego them. - The Bd of
Revenue consider that
the payment should
be made as the Muni-
cipalities can then
claim the Inspecting
Schoolmasters services as
a right and not as
a favor.

Under these circumstances
it is submitted that there
is a well understood principle
in awarding order and that
the draft order is sufficient.
