No. 109. Read the following Proceedings of the Board of Revenue, dated 31st March 1874, No. 2203 (Miscellaneous):—

Read the following letter from J. B. PENNINGTON, Esq, President of the Local Fund Board, Trichinopoly, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Trichinopoly, 20th March 1874, No. 18:—

I have the honour, in anticipation of the sanction of the Local Fund Board, to forward, herewith, plans and estimates, amounting to Rupees 6,860, for constructing a second-class Road, No. 17, from Silapillaputtur to Kattuputtur.

2. The line of this road starts from the village of Silapillaputtur and passes through nunjah land to the village of Kattuputtur. There is a ferry across the Cavery at Silapillaputtur, and a railway station at Kattalei, which lies directly opposite to Silapillaputtur. Kattuputtur is the principal village in the flourishing estate of the same name, and is itself a large and important place, and there is a considerable trade between it and the railway station. No doubt on the completion of this line it will be a very useful railway feeder.

3. The Mittadars are willing to give up their land for the construction of this line without any compensation.

4. An estimate, amounting to Rupees 17,600, was prepared, in 1868, for this railway feeder from Silapillaputtur to meet the Salem road within the limits of the Trichinopoly District—a distance of 7 miles, 1,009 yards. It has now been revised, so that the road may extend as far as Kattuputtur only (a distance of 2 miles, 687 yards). The particulars are shown below:—

	Rs.	A.	P.
1. 16,150 cubic yards earthwork	1,319	1	6
2. 5,199 ,, ,, gravelling	3,419	7	0

8. Planting cathalay	*160	0	0
Marking out lines and sundries, &c.	135	7	6

5. A sum of Rupees 6,000 has already been allotted under Item No. 6 of the ensuing year's budget. I request you will be good enough to obtain the early sanction of the Board of Revenue for the above estimate.

6. It is intended in course of time to extend the road to the Salem frontier in the direction of Valiapatti when the Local Fund Board of that Circle will agree to meet this Board half way.

The estimate for making a road from Silapillaputtur to Kattuputtur (2 miles, 687 yards), at a cost of Rupees 6,860, will be submitted for the sanction of Government.
