No. 111. From J. H. LATHAM, Esq., Chief Engineer and Manager, Madras Irrigation and Canal Company, to Lieutenant-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, Fort St. George, dated Kurnool, 2nd February 1874, No. 14.

Employés Securities.

I have the honour to ask you to request the permission of Government to granting the employés of the Irrigation Company a privilege enjoyed, I am informed, by Governmental Departments.

2. The security deposited in the Manager's hands by employés has hitherto lain without any interest accruing to the depositors. The privilege I ask is that the Manager be permitted to place security, deposited with him, in the Government Savings Bank at Kurnool, up to the extent of Rupees 3,000 for each subordinate, to be entered as "in behalf of" the depositor, but to be drawable only by the Manager.

3. Since there is no pension nor other provision for the Company's servants, beyond what their own self-denial provides, I feel very anxious to promote provident habits amongst them by, at least, finding them a fair interest on their deposits.

No. 67.

Submitted for the consideration of Government.

2. The Chief Engineer and Manager would appear to wish to deposit money in the Government Savings Bank on terms other than are prescribed for the public generally. This office has no information as to the modifications of the rules allowed in the case of Government employés.

Book Department.

With reference to your endorsement of the 23rd instant, forwarding to me for report, a memorandum, No. 67, of the 11th idem (with an enclosure), from the

Chief Engineer for Irrigation, I have the honour to report that, under Resolution of the Government of India, No. 2046, of 17th August 1872, Financial, security deposits made by Government subordinates or contractors are received in the Government Savings Bank in their own names, and interest is paid directly to them; but the Bank holds a letter of agreement from the depositor, by which the principal is payable only on the express written sanction of the Government Officer, who receives the security. These deposits may be received up to Rupees 3,000 in one or more years, or in one sum; but when the principal and interest at credit of any depositor amount to Rupees 3,000, all interest thereon ceases.

2. As the Madras Irrigation and Canal Company is a Guaranteed Institution, the Government may, it appears to me, make the rule applicable to the employés of the Company; but it would perhaps be as well to have this point decided by a reference to Calcutta.

No. 113. From R. B. ELWIN, Esq., Agent and Manager, Madras Railway Company, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 20th March 1874, No. 878.

In reply to your letter of the 19th instant, No. 461, I have the honour to inform you that the Government paper, &c., deposited with this Company by employés as security for the faithful discharge of their duties, are required to stand in the names of three officers of the Company, the Company giving to the person depositing the security a stamped receipt in the enclosed form. Beyond this no agreement is entered into.

2. As regards the security given by contractors, the same course is adopted, and in addition a clause (a copy of which I enclose) is inserted in the agreements.

3. Both in the case of employés and contractors the interest on the securities is drawn by the Company as it falls due, and is by them paid over to the depositor.
