Financial Resolution, dated Fort William, the 10th December 1861.

"From correspondence that has lately passed between the Foreign Department and the Agent, Governor-General for the States of Rajpootana, it appears that for upwards of a quarter of a century, a fund called the "Batta Fund" has been in existence in the Mhairwara District, the money belonging to which remained in the hands of the Treasurer of the Deputy Commissioner of that District, without being exhibited in any shape whatever in the public accounts. To prevent such irregular proceedings, His Excellency the Governor-General of India in Council directs all officers of Government to bear in mind that all transactions to which they in their official character are parties, must, in future, without any reservation, be brought to account, and all moneys be deposited in the Government Treasuries."
