Proceedings of the Madras Government, Financial Department,
20th April 1874.

No. 169. Read the following letter from R. W. LODWICK, Esq., Commissioner of Paper Currency, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 23rd March 1874, No. 1057 :—

In letter, dated 7th March 1874, No. 986, the Head Commissioner of Paper Currency, Calcutta, says :—"The Inspector reports that the temporary establishment employed on examination of the Bank remittance is practically permanent, and recommends that a portion of it should so be sanctioned; you may accordingly submit a formal application for a small establishment, strong enough to work one of the assorting machines.

"I observe, however, that the Shroff is reported as often on duty at the Bank; it is not the business of the Currency Department to follow up coin, which it has paid away for Notes, nor yet to undertake the supply of Notes to treasuries, and the recovery of their value from the Bank; elsewhere instructions are given to the head quarter treasury to despatch the required Notes, and it makes its own arrangements for obtaining them from the Currency Office."

2. I have the honour accordingly to submit, for the sanction of Government, to be confirmed by the Government of India, a tabular statement in the usual form, for the permanent establishment referred to, the monthly cost being Rupees 52 against Rupees 86, that of the one now maintained.

No. 170. ORDER THEREON, 20th April 1874, No. 640.

It appears from the letter from the Commissioner of Paper Currency and the tabular statement submitted with it, that it is proposed, at the instance of the Head Commissioner at Calcutta, to abandon the charge incurred on account of the "temporary" establishment* connected with the Paper Currency Department, Treasury Branch, and to employ a permanent establishment† at a reduced charge.

* Rupees 86.

† Rupees 52.

2. The saving effected by the arrangement will be Rupees 34 per mensem.

3. The Governor in Council approves and sanctions the proposed arrangement, and directs that copy of these Proceedings be transmitted to the Government of India for confirmation.
