No. 180. Read the following Proceedings of the Board of Revenue, dated 17th March 1874, No. 1848 (Miscellaneous) :—

Read the following letter from Surgeon-Major G. BIDIE, M.B., Secretary, Surgeon-General, Indian Medical Department, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Fort St. George, 12th March 1874, No. 1465 :—

In accordance with No. XX., Local Fund Rules, I have the honour, by desire of the Surgeon-General, to offer the following remarks on the Budget Estimate for 1874-75 of the Circles in the Tinnevelly District.

2. *Tinnevelly Circle.*—The proposed grants in this Circle consist entirely of contributions to other Circles and are as follow :—

	RS.
Palamcottah Municipality for dispensary	460
Tinnevelly do. do.	530
Nazareth Dispensary	700
Tuticorin Municipality for Medical Officer	700

In the two first instances the grants agree with the actuals for 1872-73, and in the case of Nazareth and Tuticorin the proposed contribution is in each case Rupees 200 in excess of the actual payments for 1872-73. The Surgeon-General believes that these contributions will be sufficient.

3. *Shermadevi Circle.*—In this Circle there is a proposed grant of Rupees 1,180 in behalf of the Nanguneri Dispensary. This will have to be increased as the amount, Rupees 720, entered under the head "*Medical Subordinate*" is insufficient. The pay and allowances of a Passed Hospital Apprentice will, in round numbers, amount to about Rupees 900 per annum. A grant of Rupees 1,400 is proposed for the Edyangoodi Dispensary, and, judging from past expenditure, will be sufficient.

Submitted to Government in continuation of Board's Proceedings, dated 27th January 1874, No. 141.
