Proceedings of the Madras Government, Financial Department,
22nd April 1874.

No. 203. Read the following letter from F. H. WILKINSON, Esq., President, Oossoor Dispensary Committee, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Oossoor, 14th April 1874 :—

With reference to the G.O., Public Department, dated 5th March 1874, No. 245, I have the honour to inform you that the Oossoor Dispensary Committee have not yet obtained the services of a Dresser, nor been supplied with instruments or medicines as directed.

2. The Dispensary was opened on the 19th ultimo, the 1st Class Hospital Assistant attached to the Sub-Collector's office being put in charge. A small supply of medicine was purchased at Bangalore in the hopes that the supply which Government so kindly ordered would soon be received.

3. The total number of patients treated since the Dispensary was opened amounts to 204, and the daily attendance is steadily increasing.

4. As the Sub-Collector's establishment will be going out on circuit in May, and the services of the 1st Class Hospital Assistant will not then be available, the Committee fear that the Dispensary will have to be closed unless the Surgeon-General is a little more expeditious in carrying out the orders of Government.

5. Trusting to be excused for thus troubling you on a subject already disposed of, I have, &c.

No. 204. ORDER THEREON, 22nd April 1874, No. 668.

Communicated to the Surgeon-General, Indian Medical Department, in continuation of G.O., dated the 5th March 1874, No. 245.
