Proceedings of the Madras Government, Financial Department,
23rd April 1874.

No. 214. Read the following Proceedings of the Board of Revenue, dated 14th March 1874, No. 1750 (Miscellaneous):—

Read the following letter from Surgeon-Major G. BIDIE, M.B., Secretary to the Surgeon-General, Indian Medical Department, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Fort St. George, 7th March 1874, No. 1355:—

With reference to paragraph 60 of the Board's Proceedings, No. 453, dated 2nd March, I have the honour, by desire of the Surgeon-General, to offer the following remarks on the proposal to open a dispensary at Nursapatam.

2. There is at present in that station an Assistant Apothecary in charge of the Police Hospital, and it would be desirable to utilize his services in connexion with the proposed dispensary on the usual terms, viz., the Local Fund Board to pay three-fourths of his pay and allowances, and the Government one-fourth, in consideration of attendance on the Police. The present incumbent at Nursapatam is high up on the list of 1st-Class Assistant Apothecaries, and would, if placed in charge of a dispensary, be entitled to draw Rupees 170 a month. This would involve a monthly payment from Local Funds of Rupees 127½, or Rupees 1,530 per annum. It is observed, however, that the Local Board only set apart Rupees 720 for payment of a Medical Subordinate, and an increased grant will accordingly have to be made. It would also be advisable to add Rupees 200 to the gross amount proposed to meet contingent charges.
