Proceedings of the Madras Government, Financial Department,
24th April 1874.

No. 220. Read the following Proceedings of the Board of Revenue, dated 16th April 1874, No. 888 :—

Read the following letter from J. H. GARSTIN, Esq., President, Local Fund Boards, South Arcot District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Kurinjepadi, 23rd March 1874, No. 23 :—

In forwarding, herewith, a copy of Resolution, No. 11, of the Proceedings of the Cuddalore Local Fund Board, dated 20th instant, I have the honour to state that the existing staff of Vaccinators is quite inadequate to meet the requirements of the different parts of the district; and having been informed of the prevalence of small-pox in several places, and of the necessity for the employment of additional hands, I wrote to the Superintendent-General of Vaccination to send me four qualified Vaccinators at once. These men have arrived, and are at work in the localities where their services are most needed. The District Superintendent now again requests that two more men may be sent, and I have this day addressed the Superintendent-General, in view to have them sent at once.

2. I have, therefore, the honour to request that the sanction of Government may be obtained for employment of six additional Vaccinators in all, as a temporary measure, on a salary of Rupees 10 each per mensem.

3. As the matter is one of emergency, I request that early orders may be passed on it.
