Proceedings of the Madras Government, Financial Department, 24th April 1874.

No. 222. Read the following Proceedings of the Board of Revenue, dated 17th April 1874, No. 2545 (Miscellaneous):—

Read the following letter from W. D. HORSLEY, Esq., President of the Local Fund Boards, Cuddapah District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddapah, 23rd January 1874, No. 65:—

The Madanapally Circle Board wish to establish a dispensary at Kadri, a town situated fifty miles from Madanapally. The locality is unhealthy, and I think a dispensary would be appreciated by the people. The Board do not wish to start the institution on a large scale, and they propose to spend next year a sum of Rupees 1,000 on the institution from the General Fund. Their resolution on the subject is enclosed, and I beg that sanction may be accorded to the measure.

2 I should mention that Kadri town is a hot-bed for contagious diseases, and it is very necessary that proper medical advice and treatment should be obtainable in the place.

3. The idea of utilizing the building lately occupied as a Court by the District Munsiff would be a good one, had not the District Engineer, unless I am mistaken, condemned the building as unsafe. I believe the Vice-President is of contrary opinion. The building should not be occupied unless the District Engineer can support the arrangement.

PROCEEDINGS of the Local Fund Board, Madanapally Circle, dated 14th January 1874.

Present:

Vice-President.
Mr. Ward, Apothecary in charge of Dispensary.
M. R. Ry. Shunmoogam Moodelly, Deputy Inspector of Schools.
The Tahsildar of Madanapally.

It having been brought to the notice of the Board that the opening of a branch dispensary at Kadri would be of great benefit to the people of that unhealthy taluq—

Resolved that the President be requested to apply for the sanction of Government to the following scheme for the ensuing official year. The cost could be met in the budget from the sum of Rupees 2,000, General Fund.

Yearly cost.

	RS.
A pensioned Hospital Assistant, at Rupees 25 per month	300
Medicines...	200
House-rent	12
Servant...	48
Contingencies...	60
Total...	620

Probable cost of first starting in purchase of instruments, furniture, &c., Rupees 300, or a total of Rupees 920. The Board however would ask that the round sum of Rupees 1,000 be entered in the budget in order to cover all possible expenses.

The Medical Officer will be required to attend chiefly to the ordinary cases of fever, diarrhœa &c.; he will be under the supervision of the Board and will be able to send serious cases to this

dispensary for treatment. In the event of the Board finding that his work is appreciated, the Board will be prepared to give further assistance, and if necessary to appoint a more highly-paid medical officer.

The Board are given to understand that when the new Taluq Cutcherry at Kadri is completed it is contemplated to remove the Civil Court to the building now occupied by the Taluq Cutcherry. In that case, the building at present in occupation of the Civil Court would be admirably suited for a dispensary and residence of the Medical Officer.
