Proceedings of the Madras Government, Financial Department,
24th April 1874.

No. 227. Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 27th March 1874, No. 532:—

I have the honour to annex copy of a letter from the Principal of the Civil Engineering College, No. 670, of the 13th instant, furnishing the information called for in G.O., Financial Department, No. 334, of the 2nd idem.

From the Principal of the Civil Engineering College, to the Director of Public Instruction, dated 13th March 1874, No. 670.

As requested in your endorsement upon G.O., No. 334, of the 2nd instant, I have the honour to supply the following explanation:—

The sum of Rupees 300 always entered in the budget under the head of "Purchase of Instruments" has been hitherto devoted simply to the cost of repairs, new instruments having been hitherto received without payment from the Department of Public Works. The annual cost of new instruments hereafter will amount to quite Rupees 800, the cost of repairs to Rupees 200, or a total of Rupees 1,000 annually under the head of "Purchase and Repairs of Instruments."

With regard to the item of "Stipends 3,600," the old amount for thirty European soldiers at Rupees 10 per mensem was entered erroneously for Rupees 3,000, to which it was reduced by G.O., No. 1746, dated 23rd July 1872, and distributed as follows:—

					Rs.
10 Scholarships for European soldiers at	Rs.	10-0-0	...	...	100
10 Do. Madras Sappers at	,,	7-8-0	...	...	75
10 Do. Civilians at	,,	7-8-0	...	...	75
					250

Total Rupees 250 per mensem
or Rupees 3,000 annually

No. 228. ORDER THEREON, 24th April 1874, No. 686.

Under the explanation afforded by the Principal of the Civil Engineering College, the Governor in Council directs that the Budget Estimate for the College for 1874-75, which was passed at Rupees 41,930 in G.O., dated the 27th December 1873, No. 1899, be reduced by Rupees 600 or to Rupees 41,330.

2. It will be ascertained from the Public Works Department what was the average cost of new instruments supplied to the College during the last five years.

Having the honour to submit herewith for the orders of Government a statement of the expenses for certain establishments entertained in the Civil Engineering College for the year 1874-75, I beg to state that the Principal of the College has submitted a memorandum explaining the reasons for the increase in the Establishment for the year 1874-75 as compared with the Budget Estimate for the year 1873-74 which was passed at Rs 41,930 in G.O. dated the 27th December 1873, No. 1899. The Principal has explained that the increase is due to the following causes:

+2 to Rs 41,330

2. It will be ascertained from the Public Works Department what was the average cost of new instruments supplied to the College during the last five years.
