Book Department.

With reference to your endorsement of the 18th instant on letter from Lieutenant-Colonel G. M. Gumm, dated 9th February last, I have the honour to state that the Government Solicitor reports in his letter, No. 173, of 26th instant, that the proper course is for that officer to get himself appointed Committee of the property of his son, Lieutenant C. A. Gumm, and then to apply for payment of the amount late in the Government Savings' Bank and recently transferred to Government; but, considering the small amount of the money and the expenses that would be attendant upon Lieutenant-Colonel Gumm getting himself appointed Committee of his son's property, it will be for Government to consider whether the amount may not be paid over to Lieutenant-Colonel Gumm upon his executing in favour of Government a bond of indemnity.

No. 255. ORDER THEREON, 25th April 1874, No. 698.

The Governor in Council approves the suggestion that the unclaimed balance of Rupees (521-15-8) five hundred and twenty-one, Annas fifteen, and Pies eight,

deposited by Lieutenant C. A. Gumm in the Government Savings' Bank, be paid to his father, Lieutenant-Colonel Gumm, upon executing in favour of Government a bond of indemnity.
