Proceedings of the Madras Government, Financial Department,
27th April 1874.

No. 266. Read the following Proceedings of the Board of Revenue, dated 20th April 1874, No. 2619 (Miscellaneous):—

Read the following letter from J. R. DANIEL, Esq., Acting Collector of Vizagapatam, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Vizagapatam, 1st April 1874, No. 466:—

In the Local Fund Budget of the Vizagapatam Circle for 1873-74 a sum of Rupees 1,440 was provided for repairs to the 11½ miles of the road from Palcondah to Chicacole, the portion lying within the Circle. This road was formerly kept in repairs by the Ganjam authorities; but on the appointment of Local Fund Boards it was handed over to this district last year in a ruinous state.

2. The District Engineer has now submitted an estimate, amounting to Rupees 23,070, for putting in thorough repair this portion of the road. "The estimate," he says, "provides for remetalling or gravelling it throughout. In the first portion four miles long out of Palcondah, gravel has to be carted a very great distance, and consequently it is expedient to use metalling, and in the remaining eight miles the surface of the road will be regravelled. The estimate also provides for the construction of one sluice."

3. The Vizagapatam Local Fund Board have, at a meeting held on the 27th ultimo, approved of the estimate which is herewith submitted, and I have the honour to request you will be good enough to obtain the sanction of Government for the same. The work will be taken on hand whenever funds are available.

The estimate for putting in order the road from Palcondah towards Chicacole, at a cost of Rupees 23,070, will be submitted for the sanction of Government.
