No. 268. Read the following letter from J. HOPE, Esq., President of the Municipal Commission, Kurnool, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Kurnool, 15th April 1874, No. 8:—

With reference to G.O., No. 332, dated 2nd March 1874, striking out from the budget estimate the item of tax on professions, thereby causing a net deficit of Rupees 800, I have the honour to state that the Commissioners have resolved to meet the deficiency by reducing expenditure in the following items :—

	Present Allotment.	Proposed Allotment.	Saving.
Grant V.—Office Establishmert	2,140	1,576	564
Grant II.—Result grants	500	300	200
Grant IV.—Miscellaneous	4,500	4,400	100
Total ...	7,140	6,276	864

2. The reduction of the educational grant requires some explanation. The amount spent on an average during the last three years was Rupees 333, and lately one of the schools, which used to get an average grant of about Rupees 120 a-year, has been raised to the rank of a middle-class school, and is aided from Provincial Funds. For these reasons, the Commissioners think that the reduced grant is sufficient, and that no inconvenience will result by this reduction.

3. The sum of Rupees 4,000 provided for water supply is not intended as supposed by Government to be spent on new works, but is payable annually to the Irrigation Canal Company for water supply during the year for the use of the town, through the channels already constructed for purposes other than irrigation, and the Commissioners are of opinion that the proper place for such expenditure is under Grant V., and not under Grant II.
