No. 270. Read the following Proceedings of the Board of Revenue, dated 31st March 1874, No. 2230 (Miscellaneous):—

Read the following letter from Surgeon-Major G. BIDIE, M.B., Secretary to the Surgeon-General, Indian Medical Department, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Fort St. George, 19th March 1874, No. 1658:—

With reference to No. XX., Local Fund Rules, I have the honour, by desire of the Surgeon-General, to offer the following remarks on the budget estimate for 1874-75 of the Local Fund Board, Coimbatore Circle.

2. *Pollachy Dispensary.*—The provision made for this hospital accords very nearly with the actual expenditure in 1872, and will be adequate.

3. *Caroor Dispensary.*—The provision of Rupees 120 for medicines, &c., will not be sufficient if the hospital prove at all prosperous; and the Surgeon-General recommends that the grant be raised to Rupees 200 at least. There is no allotment for dieting patients, and I am to remark that it is very desirable that arrangements should be made for receiving in-patients. A grant of Rupees 150 would probably be sufficient for the first year to meet diet charges, and if this suggestion be carried out it will be necessary also to increase the allotment for supplies to Rupees 150, and that for furniture to Rupees 300.

4. *Dharapuram Dispensary.*—The remarks offered under Caroor are equally applicable as regards this hospital.

5. It is observed that Rupees 1,200 are allotted for the salaries of medical subordinates both at Caroor and Dharapuram; but, as the incumbents are in both instances passed Hospital Apprentices, the actual charge in each case will only amount to Rupees 900 per annum. This will liberate for each hospital a sum of Rupees 300, which may be utilized in meeting the other charges recommended in paragraphs 3 and 4.

6. The Local Fund Board propose a grant to the Coimbatore Municipality of Rupees 1,000 in aid of the Coimbatore Dispensary. The cost of this institution in 1872 was Rupees 5,228, so that the proposed contribution will leave a large balance to be met by the Municipality. The grant, however, is larger than that which was sanctioned for 1873-74.
