No. 272. Read the following Proceedings of the Board of Revenue, dated 9th March 1874, No. 1611 (Miscellaneous):—

In accordance with the sanction conveyed in G.O., Financial Department, dated 29th August 1873, No. 1229, three Accountants, as shown below, were entertained for the Special Local Fund branch of the Board's Office:—

M. Ruthen Singh was formerly an Assistant in the Budget Department of the Military Controller's Office on a salary of Rupees 50 per month. He entered the service on the 15th December 1860, and joined the Special Local Fund Department on the 13th September 1873 as an Accountant on Rupees 70 a-month.

V. Venkatasawmy Naidu joined the Special Local Fund Department on the 11th September 1873 as an Accountant on Rupees 30 a-month.

K. Ramakistnah Pillay was formerly fourth-class Clerk on Rupees 30 a-month in the Commissariat Storekeeper General's Office at Madras. He entered the service on the 16th December 1868, and joined the Special Local Fund Department on the 17th September 1873 as an Accountant on Rupees 25 a-month.

2. These men are being paid out of the Jungle Conservancy Funds of the several districts in accordance with the Board's proposal which received the approval of Government in their order quoted above.

3. In their Order, Financial Department, dated 29th August 1872, No. 1149, Government remarked that neither the Jungle Conservancy Fund nor any other Special Fund come within the scope of the orders of 1868, and that they were averse to extending the application of those orders except in the clearest cases.

4. The Special Local Fund Department is attached to the Local Fund Department of this office, and the members of the latter Department have been declared eligible for pension in paragraph 7 of the Government Order last quoted.

5. It was found difficult to get qualified men to take up appointments in the Special Local Fund Department without giving them the assurance of a pension, and two of the three men entertained have come on "leave without pay" granted for the purpose, thus retaining a lien on their substantive appointments in their former offices.

6. Unless some arrangement is made for granting pensions, no one already in the employment of Government will be willing to enter it, and the consequence will be that all vacancies will have to be filled up by inexperienced and inferior men.

7. To obviate the difficulty the Board think that the salaries of the three Accountants should be raised to enable them to contribute one-fifth of the amounts to the Government of India, so as to secure their pension under Section 35 of the Civil Pension Code.

8. The following abstract shows the present and proposed rates of salaries:—

	Present.	Proposed.	Increase.
	RS.	RS.	RS.
1 Accountant	70	87½	17½
1 Do.	30	37½	7½
1 Do.	25	31¼	6¼
Total ...	125	156¼	31¼
