No. 278. Read the following letter from H. SEWELL, Esq., President of the Municipal Commission, Bellary, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Bellary, 17th March 1874, No. 46 :—

In continuation of my letter, No. 35, dated the 10th instant, I have the honour to submit a revised Budget for the Adoni Municipality, omitting the Profession-tax.

From C. RAGHAVA ROW, Vice-President of the Municipal Commission, Adoni, to J. H. MASTER, Esq., Collector and ex-officio President of the Municipal Commission, Adoni, dated Adoni, 2nd December 1873, No. 90.

I beg to forward, herewith, the Budget Estimate of receipts and charges of this Municipality for the ensuing official year.

2. The balance of Rupees 9,904 in Statement I. includes the Dispensary fund Rupees 4,404, and the Gooty Local Fund Board's contribution Rupees 5,500, towards the erection of a new Dispensary promised by them and included in the last year's Budget. This sum is in the hands of the Local Fund Board, and the Commissioners propose to ask for it when the building will be commenced.

3. The sum of Rupees 100 entered under "5, Endowments, &c.," is the amount of annual donation to the Dispensary from Messrs. Dymes' Cotton Press for the free use of medicines to their establishment.

4. The Rupees 300 under "6, Contributions from Local Funds" is the amount promised by the Gooty Circle Board for the maintenance of their roads within the Municipality, as per the G.O., No. 1179, of the 20th August last, and Rupees 1,944 under (c) Miscellaneous includes the Rupees 1,000 which that Board would add to their contribution towards the expenses of a new dispensary here, as intimated in your docket, No. 83, of 27th June last, and Rupees 944, being the moiety of the current expenses of that institution, as conveyed in their Resolution 2 of 25th July 1872, and in your docket, No. 95, of 31st idem.

5. Rupees 3,860 are provided under Grant I., New Works (a), for the improvement of the roads in the town, and a great portion of it is proposed to be spent for extending the bazaar road from the Jumma Musjid towards the north. This amount is barely sufficient to meet the compensation that we shall have to pay for such houses as we may have to remove in widening the road, but the Commissioners hope to complete it gradually and by yearly grants.

6. Under "(c) Sanitary and Miscellaneous," the sum of Rupees 13,000 is provided for the erection of a new dispensary. This includes Rupees 6,500 from the Local Fund alluded to in the preceding second and fourth paragraphs, and Rupees 4,404 from the Dispensary Fund, and Rupees 2,096 to be laid out from the municipal funds. The Commissioners desire to have a building on the standard plan, and propose to meet the cost by yearly grants, as a moiety of it will be borne by the Circle Board.

7. Last year we spent Rupees 39-8-0 under the Result Grant system for education. We have provided Rupees 100 for the next year under "Grant II., Education."

8. With a view of improving the lighting in the town, in which it is very deficient, we have allotted Rupees 1,000 under "Grant IV." for the purchase of lamp-posts and lanterns, as many of the latter now in use are broken and otherwise damaged.

9. The other items appear to call for no explanation.

Proceedings of the Madras Government, Financial Department,
27th April 1874.

No. 278-A. MINUTE by the Hon. W. ROBINSON, C.S.I., dated 25th April 1874.

I disapprove of increased taxation—the House-tax is raised to the maximum rates—to recoup a deficit created by relieving the well-to-do professional and trading classes. Tolls too are maintained to the detriment of trade.

(Signed) W. ROBINSON.

No. 279. ORDER THEREON, 27th April 1874, No. 711.

The Adoni Municipal Budget as originally submitted included the Profession-tax as a source of income. On a telegram being sent a revised Budget was sent in omitting that tax, and though no resolution of the Commissioners or covering letter accompanied the revised Budget, it appears from the note to Statement I. that it is proposed to raise the rate on houses from six to 7½ per cent. The subjoined table is an abstract of the revised Budget as compared with that for 1873-74:—

2. The entry of Rupees 9,904 as Endowment Fund opening balance is a mistake, as it consists of Rupees 4,404 to be appropriated from the capital of the institution during the year, and Rupees 5,500 promised by the Local Fund Board for 1873-74, but to be paid in 1874-75. As, however, the amount should appear as an endowment receipt for the year the total is not affected. In Statement I.-A there is an entry of Rupees 176 as interest on the funded capital which does not appear in Statement I., but as the capital is to be appropriated during the year it seems doubtful

Proceedings of the Madras Government, Financial Department,

whether the interest will be realizable in full. In the revised Statement I. also a hospital receipt of Rupees 100, under 5 (a) has been omitted, though it still finds a place in the revised Statement I.-A. The incorrect manner in which Statement I.-A was prepared, was noticed in the order on the Budget for 1873-74, and the President will be good enough in future to see that all necessary corrections are made before the statements are sent on to Government.

Sirs.

1. I beg to forward herewith the Budget estimate of receipts and charges of this Municipality for the ensuing official year.
2. The balance of Rupees 9904, in Statement I includes the Dispensary fund Rs 4,404, and the Gooty Local Fund Rs 5500 Contribution, Rs 500, towards the erection of a new Dispensary, framed by them and included in the last year's Budget. This sum is in the hands of the Local Fund Board and the Commissioners propose to ask for it when the building will be commenced.
3. The sum of Rs 100 entered under "Endowments" is the amount of annual donation to the Dispensary from Messrs. Dymally & Co. for the free use of medicines to their

4. The Rs 300 under "Contributions from Local Funds" is the amount promised by the Gooly Circle Board for the maintenance of their Roads within the Municipality, as per the Government order No. 1179 of 20th August last; and Rs 1944 under (C) Miscellaneous, includes the Rs 1000 which that Board would add to their Contribution towards the expenses of a new dispensary here as intimated in your docket No. 83 of 27th June last, and Rs 944, being the moiety of the current expenses of that institution, as conveyed in their Resolution 2 of 25th July/72 and in your docket No. 95 of 30th Decm.

5. Rupees 3800 are provided under "Grant I new works (a)" for the improvement of the roads in the town and a great portion of it is proposed to be spent for extending the Bazar Road from the Juma Masjid towards the North. This amount is barely sufficient to meet the compensation that we shall have to pay for such houses as we may have to remove in widening the road, but the Commissioners hope to complete it gradually and by yearly grants.

6. Under (C) Sanitary and Miscellaneous the sum of Rs 13000 is provided for the erection of a new dispensary. This includes Rupees 6500 from the Local Funds

alluded to in the preceding 2nd & 4th paras, & Rupees 4404 from the Dispensary Fund, and Rs 2096 be laid out from the Municipal funds. The Commissioners desire to have a building on the standard plan and propose to meet the cost by yearly grants, as a moiety of it will be borne by the Circle Board.

7. Last year we spent Rs 39-8- under the result grant system for education. We have provided Rs 100 for the next year under "Grant II Education".

8. With a view of improving the lighting in the town, in which it is very deficient we have allotted Rupees 1000 under "Grant III" for the purchase of lamp posts and lanterns as many of the latter now in use are broken and otherwise damaged.

9. The other items appear to call for no explanation.

Minute by the Hon. W. Roberts dated 25th April 74

Order thereon, Co. 27 April 74 No. 11

The above Municipal budget as originally submitted included the Profession tax as a source of income. On a telegram being sent a revised budget was sent in omitting that tax, and though no Resolution of the Council was received in answer to the letter accompanying the revised budget,

It is proposed to increase taxation - the three taxes caused the maximum rates to adopt a deficit creating relieving the will to do for passenger trading classes it is proposed to raise tolls too on main roads as the detriment of trade the

The entry of Rs 9904
as endowment fund opening
balance is a mistake as
it consists of Rs 4404 to
be appropriated from the
capital of the institution
during the year, and Rs
5500 promised by the Local
Fund Board for 1873-74
but to be paid in 1874-75.
As, however, the amount
should appear as an en-
dowment receipt for the
year, the total is not af-
fected. In Statement
I A there is an entry of
Rs 176 as interest on the
funded capital which
does not appear in State-
ment I but as the
capital is to be appro-
priated during the year
it seems doubtful whe-
ther the interest will
be realisable in full.
In

531D
See the revised Statement
I also a Hospital re-
ceipt of Rs 100 under
5(a) has been omitted
though it still finds
a place in the revised
Statement I A.

The incorrect
manner in which State-
ment I A was prepared,
was noticed in the Order
on the Budget for 1873-74,
and the President will be good
enough in future to see that
all necessary corrections are
made before the statements are
sent on to Government.

The total revenue for
the year is estimated at Rs
23,172 against Rs 20,238 in
1873-74, but if endowment re-
ceipts be omitted the Mu-
nicipal revenue proper ap-
pears at Rs 11,274 against
Rs 13,550 being a reduction
of

of Rs 2,276. The manner in which the Budget has been adjusted is shown in the margin, expenditures from endowment funds being omitted. The amount expected to be realized by the increased taxation, namely Rs 1,500, under Rates on Houses, ~~Rs 148 under~~ ~~the Budget of~~ ~~last~~, is really devoted in full to the erection of the new Dispensary. but as the Local Fund Board have promised so liberal a contribution to the same object (Rs 6,500) it is only fair that the Municipality should bear a proportion of the expense and the proposed increased taxation is sanctioned accordingly.
