No. 280. Proceedings of Government, dated 27th April 1874, No. 712.

The annual reports of the various Municipalities having disclosed considerable diversity in the educational operations of the different towns, the Government desire that all Presidents of Municipalities will submit a special report stating the course now being followed in the matter, the present educational position of the Municipality, and the steps it is proposed to take for the further development of elementary education within the town.

2. A statement should accompany the report showing the number of schools existing or proposed, the average attendance actual or anticipated, the receipts from all sources (distinguishing the grants-in-aid from Municipal or other Funds), and the total cost of each school.

3. Full information regarding Result Grant Schools should also be included in the report.
