*Proceedings of the Madras Government, Financial Department,
29th April 1874.*

No. 331. Read the following Proceedings of the Board of Revenue, dated 17th January 1874, No. 315 (Miscellaneous):—

Read the following letter from C. G. MASTER, Esq., President of the Local Fund Boards, Ganjam District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Iniagodo, Pedda Kimedya Maliahs, 5th December 1873, No. 383:—

Referring to paragraphs 3 and 6 of G.O., dated 18th April 1873, No. 504, Financial Department (reviewing the Local Fund Budgets of this District), and with reference to G.O., dated 28th March 1873, No. 426, Financial Department, issuing instructions for the discontinuance of the imposition of house-tax, and leaving for the reconsideration of the Local Fund Boards concerned proposals for the establishment of schools not hitherto sanctioned, I have the honor to forward an extract from paragraph 8 of the Proceedings of the Local Fund Board, Chicacole Circle, dated 20th September 1873.

2. The Chicacole Local Fund Board have, it will be observed, resolved to establish twenty-three elementary schools at the following villages:—

1. Kalingapatam.	13. Varanasi.
2. Hiramandalam.	14. Battili.
3. Lakshmi Narsupeta.	15. Nivagam.
4. Jalmoor.	16. Kollur.
5. Nagarikotakam.	17. Sarvakota.
6. Narasunnepeta.	18. Korasavada.
7. Kotu Bommali.	19. Maliaputti.

9. Nandigam.	21. Gurandi.
10. Palasa.	22. Kurigam.
11. Nowpada.	23. Kollapalli.
12. Chakipalli.	

The details of the charges for masters, &c., were given in the Local Fund Budget Statements III. and III.-A of that Circle for 1874-75, forwarded to the Board with my letter, dated the 28th October 1873, No. 330.

3. The Circle Board now propose to open these schools during the current official year, and to meet the charge from the provision of Rupees 4,920 entered against the item "Local Fund Schools."

4. The Local Fund Board propose to teach English in addition to the Vernaculars whenever they think fit to do so.

5. The Chatterpore Local Fund Board have lately resolved to dispense with English in these elementary schools in their Circle, and I think the same had better be done in the Chicacole Circle.

6. The scale of school fees proposed is one Anna in the 1st and 2nd classes, and two Annas in the 3rd class, subject to revision hereafter. This is exactly the same as that proposed in the Chatterpore Circle—*vide* my letter, No. 212, dated 26th June 1873, which is under the consideration of the Board of Revenue.

7. Temporary quarters will have to be rented pending the construction of school-houses.

*Proceedings of the Madras Government, Financial Department,
29th April 1874.*

8. The charge in connexion with these schools for the remaining part of the year (*i.e.*, for January, February, and March) will be Rupees 2,560, as particularized below :—

Masters' pay	RS.
Servants	1,266
Furniture	207
Maps and Books	575
Sundries, house-rent, and contingencies	230
	276

2,554 or Rupees 2,560 in
round numbers.

This amount is to be met from the allotment of Rupees 4,920 sanctioned in the Local Fund Budget for the purpose, as proposed by the Circle Board.

9. I request that the Board will be pleased to obtain the sanction of Government for establishing twenty-three schools above named during the current year.

Submitted for the orders of Government.

The Local Fund Board of the Chicacole Circle propose to open twenty-three elementary Local Fund Schools as soon as they receive sanction and before the end of the current year.

The scheme is similar in most respects to that of the Chatterpore Circle laid before Government in Board's Proceedings, 5th January 1874.

The details are noticed in Board's Proceedings, dated 9th January 1874 submitting the Local Fund Budgets of the Ganjam Circles for 1874-75.

ORDER THEREON, 29th April 1874, No. 737.

Recorded, with reference to paragraph 8, G.O., dated 7th March 1874, No. 385.

D. F. CARMICHAEL,
Acting Chief Secretary.

Extract from the Proceedings of the Local Fund Board
of the Chicago Circle held at Chicago on the 20th Sept 73.

Present.

D. Gillespie Esquire, Civil Surgeon.
Mr. J. J. Thompson, Sailsailor
P. Kristiansen, Puntulu guru, Manager
E. Srinivasan, Puntulu guru.

The Board proposes to spend Rs. 6970 on
23 Local Fund Schools which it is intended to estab-
lish as below specified.

Salaries of Masters in the 23 schools	5060
Servants	830
Furniture	570
Books and Maps	230
Sundries	280
	6970

As all the schools which the Board has
proposed to establish have been maintained from
General Funds and not from house-tax, the Board
sees no reason for strictly adhering to para XI of the
Local Fund Rules which directs the Local
Fund "to permanently establish any school
of the lower class wherein 30 per cent. of the pupils
have for two consecutive years qualified for results
grants." The effect of strictly adhering to this rule
would be that there will never be Local
Fund Schools in villages where education
has not already made some progress. It is
undesirable to have Local Fund Elementary
Schools

Chicago Circle.—The application of the Presi-
dent for establishing twenty-three Local Fund
Schools in this Circle during 1873-74 recorded, with
reference to paragraph 8 of G.O., 7th March
1874, No. 385, calling for further details in respect
of the proposal.

Schools in places where education has already made some progress in preference to places where there is no school of any kind. The Board therefore proposes to establish permanently 23 schools altogether, 12 in the Chicacole, & Narasannapeta and Seckaly Divisions and 11 in the Kurnool Estate. Of the former, eight have qualified under rule XI and two have been already sanctioned by Government, but of the latter not one has qualified. The total number of unqualified schools is 13.

The Board resolves that in employing teachers, the wishes of the people should be considered as to whether they want Telugu or Oriya or both to be taught in their schools. The Board thinks that the teaching of English in some schools would give a considerable impulse to the spread of education and wishes in this respect to exercise the discretion allowed by G. O. Educational Department No. 94 dated 4th April 1872.

Two teachers each have been provided for 17 schools and one each for 6 schools. The latter are

are in the Parlatimidy Estate. Each School
is to have a servant on a salary of not more than
Rs. 3 monthly. His duties will be to keep the school
room clean preserve the furniture and books &c.,
go to the nearest Treasury to carry the collections
of the schools or bring the Teacher's salary &c.;
call boys who absent themselves from schools
and the like. Rs. 25 are provided for furniture
for each school.

10 Rs. for five benches.
6 Rs. " two tables
6 Rs. " two chairs and one stool
3 Rs. " one Board
Rs. 25

These are the maximum charges in
connection with furniture and only as much
money as may be indispensably needed will be
spent.

The Board resolves to abolish the
existing middle class Grant-in-aid schools
at Jalmoor and Calingapatam and to establish
Lower class elementary schools in stead. The
Board further resolves to allow the existing
middle class schools to remain as they are
until Government sanction the establishment

of the 23 elementary schools now recommended.
On the receipt of the Government orders, these
two schools will sink into elementary schools
and the Government grant may thereby with-
drawn. The Board does not think it advisable
to reduce the middle class schools into Rosalti
Grants schools as proposed by the Educational
Authorities pending the orders of Government.

The Board resolves that the fees
to be charged in all Local Fund Schools
in this Circle shall be without exception
one anna per mensem in the first and second
classes and two annas in the third class.
This scale is to be in force for one year and
to be then subject to revision. Entrance fees
are not to be charged or free scholars allowed.
When a suitable building cannot be rented
or otherwise provided a school house will
be built at a cost not exceeding the amount
set against each school in Appendix C.

With reference to the President's letter
No. 204 dated 27th June 1873 regarding the
schools

Schools in this Circle the Board resolved
to request the President to forward to Govern-
ment a copy of this resolution about the schools
now proposed as a reply to Government Pro-
ceedings No. 504 dated 18th April 1873 parase-
3 and 6. Copies of paras 25 to 33 (inclusive) in
letter No. 167 dated the 1st instant right has
be sent to Government together with copies of
Statements III and III A and the Appendix
to part I New Works from the Budget of
1874-75. The President will be asked to
request Government to sanction immediately
the opening of the 23 Schools now proposed
in accordance with the scale herein set forth.
Necessary funds can be met from the current
year's budget provision under Grant III "Local
Fund Schools". Temporary accommodation
will be procured if these schools be sanctioned
this year and where necessary school sheds
also will be built, the charges being met
from the budget allotment against New Works
