No. 5. Read the following letter from Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Honourable D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 21st April 1874, No. 181:—

With reference to paragraph 4 of the Order of Government, Financial Department, No. 548, of the 7th instant, I have the honour to report, for the information of Government, that Warrant Medical Officers, when placed in subordinate charge of hospitals, are granted an allowance of Rupees 30 per mensem, under paragraph 21 of the Rules reorganizing the Subordinate Medical Department, but when they are placed in independent charge of Civil Dispensaries the higher allowance of Rupees 50 is authorized by Public Department, No. 1034, 8th September 1864. Order of Government, entered in the margin, doubtless in consideration of the increased responsibility involved in an independent medical charge. The Revenue Board have correctly expressed their view that the Apothecary at Paumbem will not receive both the allowances conjointly, but will be entitled only to the higher of the two for being placed in medical charge of the projected Civil Dispensary at that station.
