Proceedings of the Madras Government, Financial Department,
2nd May 1874.

No. 22. Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 2nd December 1873, No. 2399:—

Adverting to Order of Government, dated the 20th ultimo, No. 1683, I have the honour to explain that Rupees 1,13,893, on page 309 of the Education Report for 1869-70, is a mere misprint for Rupees 1,03,893. The total of the statement (Appendix A, No. XV.) allows for only Rupees 1,03,893, and is correct.

2. An examination of the statement enclosed in the Order under notice shows that it contains schools of all classes, higher, middle, and lower. I beg to submit, herewith, a revised statement for the year 1872-73, confined to schools of the lower class. A copy has been sent to the President of the Madras Municipality.

3. It will be seen that the statement now sent gives the amount of grants drawn at Rupees 12,296-11-8. As a few schools may not have drawn their grants or the full grants sanctioned for them, the amount given may be, though but slightly, under the full sanctioned expenditure. To meet the difference and the charge on account of the probable extension of the number of Hindu schools, as well as that on account of the action taken in connexion with Mussulman schools, I consider that it is advisable to provide a sum of about Rupees 20,000.
