No. 119. Read the following letter from J. B. PENNINGTON, Esq., President of the Municipal Commission, Trichinopoly, to the Honourable D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Trichinopoly, 30th April 1874, No. 92 :—

Referring to G. O., No. 553, dated 7th April 1874, I have the honour to enclose copy of the Proceedings of the Municipal Commissioners for the town of Trichinopoly at a meeting held on the 21st current, and request the Government will be pleased to sanction a loan of Rupees 5,000 for the extension and improvement of the present Fort market and for the construction of two new ones on the security of the income therefrom.

2. The Fort market is a most prosperous and useful institution, but is most inconveniently crowded.

3. It has cost the Municipality from first to last Rupees 20,796-8-1 and the average receipts have been Rupees 3,924-5-0 *per annum*, reaching last year to Rupees 4,752 by regular increment.

4. It has already been considerably improved during the year that has just expired, and an estimate for its extension, amounting to Rupees 1,000 and odd, has been unavoidably deferred for want of funds. Nor is there the slightest hope of the Commissioners being able to provide the amount required this year.

5. The income from this market alone for the current year has been estimated in the revised Budget now under preparation at Rupees 6,000, so that Government will perceive that the security for the loan is perfectly good.

6. Two other markets will be required with reference to the Government Order quoted at the head of this letter, there being already two minor ones in existence.

7. Government will observe that the Commissioners propose to repay the loan by five yearly instalments of Rupees 1,000 beginning from *next* year (1875-76). It is quite impossible for them to devote even Rupees 1,000 this year to its liquidation.

EXTRACT from the Proceedings of the Municipal Commissioners for the Town of Trichinopoly at a Meeting held on the 21st April 1874.

14. Read G. O., No. 553, dated 7th instant, informing the President, with reference to the bye-law proposed for prohibiting the sale of meat, fish, fruit, &c., in public, that markets be provided in the first instance.

Resolved that application be made to Government for a loan of Rupees 5,000, to be repaid by instalments of Rupees 1,000 per annum *after the close of the current year*.
