Proceedings of the Madras Government, Financial Department,
15th May 1874.

No. 137. Read the following Proceedings of the Board of Revenue, dated 7th May 1874, No. 3021 (Miscellaneous):—

Read the following letter from W. S. FOSTER, Esq., Acting Collector of the Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 21st April 1874, No. 97:—

I have the honour to bring to the notice of the Board of Revenue that the Managers of the Grant-in-aid School at Peddapu have requested me to give over the Tahsildar's old Cutcherry building at that station for the use of their school, as they understand that the new building which is under construction will be made over for the Tahsildar's Cutcherry by the end of this month.

2. It appears from a statement submitted by the Managers that the school is now kept in a rented house, and that it contains fifty-eight boys, and that there is a likelihood of the numbers rising.

3. I have no objection to give over the building for the school subject to the condition that the Managers again give it up to us whenever we may be in need of it on one month's previous notice being given.

4. Under these circumstances, I request that the Board of Revenue will kindly grant the request of the Managers on the above condition.

Submitted for the favourable consideration of Government.
