Proceedings of the Madras Government, Financial Department,
16th May 1874.

No. 151. Read the following Proceedings of Government in the Revenue Department, dated 27th April 1874, No. 510:—

Read the following letters:—

From B. H. BADEN POWELL, Esq., B.C.S., to the Secretary to the Government of Madras, dated Calcutta, 6th April 1874.

I HAVE the honour to solicit the patronage of your Government to the proposed Forest Magazine.

2. The subscription will be 12 Rupees annually. If your Government will take one or more copies, will you kindly communicate the order to "Dr. W. Schlich, Conservator of Bengal Forests, Calcutta."

3. I have also the honour to request that your Government will be pleased to allow a copy of the official Gazette free to Dr. Schlich, and that you would send copies of any reports or papers of interest regarding forest matters, district arboriculture, forest tribes, meteorology, timber trade, or any subject of interest which could conveniently be published in such a magazine.

4. It is intended to make the magazine a repository of official papers, Gazette orders, etc., as well as of original articles; and it is also hoped that the magazine, by devoting a portion of its space to "*Notes and Queries*," will be found a useful medium for asking and giving information on various points of interest to district and departmental forestry.

5. Dr. Schlich undertakes the Honorary Editorship while I am away.

REFERRED to the Officiating Inspector of Forests for report as to the number of copies that will be required of the publication.
