No. 188. Read the following letter from Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Honourable D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 13th May 1874, No. 217:—

In G. O., No. 668, dated 22nd April 1874, the Right Honourable the Governor in Council ordered immediate arrangements to be made to supply the newly-formed civil station of Oossoor with a Hospital Assistant and medicines as had been required by G. O., No. 245, dated 5th March 1874.

2. I have the honour to mention that, after receipt of the former Government Order, with a view to give effect to the orders I arranged the series of movements, as per margin, necessary to carry out the command, but the changes have not hitherto been carried out because the Assistant to the Collector and the Collector of Tanjore have prevented Hospital-Assistant Bashiem quitting the station in which he was serving.

Do. do. do.	S. Bashiem, No. 752.	Sub-Collector's establishment, Tanjore.	Under orders of Surgeon-General, British Medical Service. To await orders.	

3. Both officers consider that it is not competent for me to remove that Hospital Assistant unless with the previously-obtained permission of the Head of his department, and I have, however, explained to the Hon. D. Arbuthnott that it has hitherto been left to the Head of the Medical Department to detail and allot and change the Medical Subordinates from one place to another to meet the ever-varying wants of the service. I think that the explanation which I have given will satisfy Mr. Arbuthnott and that the ordered changes, will be allowed to be completed; in the meantime I have ordered another Hospital Assistant to proceed to Oossoor.

No. 189. ORDER THEREON, 20th May 1874, No. 870.

The Governor in Council approves of the postings of Hospital Assistants made by the Surgeon-General, Indian Medical Department, and reported in the foregoing letter.

2. His Excellency in Council is, however, of opinion that Hospital Assistants serving directly under the orders of Collectors of districts should not be removed by the Surgeon-General, Indian Medical Department, without the assent of the Collectors.
