No. 192. Read the following Proceedings of the Board of Revenue, dated 12th May 1874, No. 1100:—

Read the following letter from F. PRICE, Esq., Acting President of the Local Fund Boards, Salem District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 11th April 1874, No. 380:—

With reference to the annexed extract from the Proceedings of the Local Fund Board, Salem Circle, passed at their special meeting held on the 27th February last, I have the honour to forward, herewith, the plan and estimate for constructing a bandy-stand with bullock and cooking sheds at Tripatore, and to request that you will be good enough to obtain the sanction of Government to the same.

2. Tripatore is a large and populous town through which there is a heavy cart traffic; and as there are no proper places for bandies to halt, accommodation in the way of stands is very much needed.

3. The Acting Head Assistant Collector who first conceived the idea of constructing a bandy-stand with sheds for bullocks and cooking purposes has raised subscriptions and donations towards that object to the extent of nearly Rupees 1,000 from the people of the town and taluq of Tripatore, and Government have, at my recommendation, sanctioned* the appropriation of the sale proceeds of the unoccupied Gramanattam (village-site) in the town of Tripatore to the same.

* G. O., No. 1,739, dated 1st December 1873.

4. The cost of the work has been estimated at Rupees 5,640.

5. Mr. LeFanu expects that when the work progresses, further contributions will be received.

6. The subject of providing a grant-in-aid from Local Funds to make up the difference has been discussed at successive meetings of the Board, and the proposal has been adopted, subject to the proviso that the bandy-stand should after completion be made over to the Local Fund Board.

Enclosure No. 1.—Plan.

Enclosure No 2.—Estimate.

Enclosure No. 3.—Extract from Proceedings of Local Fund Board.

The estimate for constructing a bandy-stand with sheds at Tripatore for Rupees 5,640 will be submitted for the sanction of Government.

2. Nearly Rupees 1,000 have been subscribed for the work by the people of the town and taluq, and more subscriptions are expected. In their order of the 1st December 1873, No. 1,739, Government allowed Rupees 494 (fees on house-sites in the *Gramanattam*, and sale proceeds of palmyras grown on house-sites) to be applied to the same purpose. The Salem Local Fund Board intend to provide the remainder.
