No. 221. Read the following Proceedings of the Board of Revenue, dated 12th May 1874, No. 1102 :—

Read the following letter from A. MACGREGOR, Esq., Collector of Malabar, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Calicut, 10th April 1874, No. 95 :—

I HAVE the honour to submit my report on the progress made during 1872-73 on salt roads of the district.

2. As reported in the previous year, the number of salt roads is only three as shown below:—

1. Road from Shoranur to Padinjarangady.
2. Do. from Ponnany to Puttamby.
3. Do. from Tellicherry to Kuthuparamba.

3. The whole of the allotment (Rupees 9,260) on the first road has been expended, which added to the outlay on the road up to 1871-72 makes up Rupees 25,261, against an estimate of Rupees 32,500. Fair progress has been made on this road, most of the tunnels completed, side walls raised to the full height, and materials also being collected. A portion of this road extends to the Cochin Sirkar also, where a sum of Rupees 16,500 has been expended by that Government, and the work nearly completed.

4. The second and third roads are being kept up under a maintenance allowance of Rupees 1,980 and 1,761 respectively, and they are in good order. The maintenance of the latter road has been reduced during the year under report by Rupees 220, and the same charged to the Tellicherry Municipality as a portion of this road is within municipal limits.

SUBMITTED for the information of Government.

2. The Collector reports that the entire allotment of Rupees 9,260 has been satisfactorily expended on the road from Shoranur to Padinjarangady, and that the portion lying within the limits of Cochin has nearly been completed by an outlay of Rupees 16,500. The two remaining roads are maintained in good order.
