No. 240. Proceedings of the Board of Revenue, dated 6th November 1873, No. 2259.

Read the following letter from W. D. HORSLEY, Esq., President of the Local Fund Boards, Cuddapah District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 13th August 1873, No. 302 :—

I have the honour to forward, for sanction, a Supplemental Budget for the Madanapully Local Fund Circle with an explanatory letter from the Vice-President.

2. The actual balance of Road and General Fund on April 1st last is far in excess of what was estimated, thus placing Rupees 36,224 at the disposal of the Board for expenditure. Of this sum, Rupees 22,803 belong to Road Fund, and Rupees 13,241 to General Fund. Of the Rupees 36,000, the Board propose to expend Rupees 16,056 on Hospital buildings, Sanitation, and Education. Such expenditure should be met from the General Fund, but as I have said, the amount to the credit of that fund is only Rupees 13,000, the remaining money required must be taken from the Road Fund if Government will sanction such an arrangement.

3. Both Sanitation and Education are in a backward state in the Subdivision. Of the former, it is proposed to spend Rupees 3,575. The greater part of this sum is for allowance due to the medical officer in charge of the dispensary. The remainder is for purely sanitary measures in certain villages.

4. On Education it is proposed to spend Rupees 1,100 for the support of four Elementary Schools in the Cusbah towns of the four taluqs in the Subdivision. The nature of these institutions will be gathered from the enclosed report from the Deputy Inspector of Schools.

5. I need not allude to the additional establishment required for Overseers.

6. The extra salary required for a clerk is, I think, unnecessary. The Cuddapah Clerk, who does the work of both circles, draws the salary which the Vice-President recommends should be given to the clerk of his circle.

7. Rupees 8,000 are required for adding new buildings to the dispensary. The estimates for the work amount to Rupees 14,000. During the current year, Rupees 4,000 only have been allotted for the work.

8. Regarding the sanitary measures to be taken in the village of Kundukur, enclosed is the report of the Sub-Committee.

9. It will be seen that a lying-in ward is to be erected, at a cost of Rupees 536, by agency other than the Department of Public Works. For this the sanction of Government will be necessary.

ENCLOSURE No. 2.—Copy of letter from Vice-President, Local Fund Boards, dated 2nd August 1873, No. 120.

ENCLOSURE No. 3.—Estimate.

ENCLOSURE No. 4.—Copy of a letter from Deputy Inspector of Schools, dated 5th June 1873, No. 33.

ENCLOSURE No. 5.—Report of Committee appointed to examine into the sanitary state of the village of Kundukur.

With the foregoing letter the President submits, for sanction, a Supplemental Local Fund Budget of the Madanapully Circle, for the current official year.

2. The Board observe that the Budget is not drawn up in proper form. It is simply a list showing the allotments proposed for certain works, &c. The list contains twenty-one items with an aggregate allotment of Rupees 23,532.

3. The first and third items are disallowed, as the sanction of Government should be obtained for the employment of two extra Local Fund Overseers and two Lascars to be attached to them. When the question of the employment of the Overseers is finally decided upon, and the sanction of Government is obtained, the Board will be prepared to allot the requisite funds.

Board's Procs., 2nd Oct. 1873, Mis. No. 6574.

4. The second item (Rupees 480) is for the salary of four writers—two of whom belong to the two Overseers now employed in the circle, and the remaining two to those newly proposed. The Board have, therefore, reduced the proposed allotment to Rupees 240.

* Repairs of Guval Cheroovoo Ghaut.

No. 6. Constructing a road dam to Balasamoodram River on Trunk Road No. XVIII. between 31st and 32nd miles. Allotment Rupees 1,500.	Board's Procs., dated 16th Oct. 1873, Mis. No. 7018.
No. 8. Constructing a house for the Dresser attached to the Madanapully Dispensary. Allotment Rs. 1,020.	Board's Procs., dated 22nd Aug. 1873, No. 1,631.
No. 9. Constructing a range of buildings for various servants attached to do. Allotment Rupees 1,349.	
No. 11. Construction of the dead-house within the compound of the Madanapully Dispensary. Allotment Rs. 356.	Do. & Board's Procs., dated 27th Aug. 1873, Mis. No. 5462.

† Construction of a new Hospital at Madanapully.

5. The fourth item* is unsanctioned, but an estimate, amounting to Rupees 3,350, is submitted with the list. The Board accord their sanction to the estimate.

6. The items marginally noted have been omitted from the list, as they have been already provided for in separate Proceedings.

7. The amount of the estimate for the seventh item† is Rupees 10,890. The allotment now proposed is Rupees 8,000† and that entered in the current year's original Budget is Rupees 4,000, making a total of Rupees 12,000 or Rupees 1,110 in excess of the estimate. The provision of Rupees 8,000 has, therefore, been reduced to Rupees 6,890.

8. Item No. 12, with an allotment of Rupees 1,100, is for the support of four Elementary Schools proposed to be established in the Kusbah Towns of the four

taluqs of the circle. The standard of education to be observed in these schools is explained in a report from the Deputy Inspector of Schools which forms an enclosure to the President's letter. The Board request the sanction of Government to this proposal.

9. The Circle Board propose to raise the salary of their Office Clerk from Rupees 25 to Rupees 40 a-month, but the President thinks that the increase is unnecessary. The Board agree with the President, and accordingly disallow the provision of Rupees 120 which appears as Item No. 21.

10. The total allotment admitted by the Board is Rupees 16,091 chargeable as follows:—

	RS.
To the Road Fund balance	3,990
To the General do.	12,101
Total ...	16,091

11. The Accountant-General is requested to place Rupees 11,176 at the disposal of the Public Works Department.

I cannot approve
of the Establishment
of 4 Local Fund taluq
Schools in the
Sub-Division of
Cuddapah at a cost
as per margin of
Rs. 1822 without a

These proposed

Schools of a very
inferior kind and

in no way what is intended
to meet the requirements
of

of popular Elementary instruction of the rural classes. Such Schools may be required, but we want much more information as to area and population affected, attendance &c., before we can accept a proposal of the kind.

The Director of Public Instruction has reported on the unsatisfactory character of this class of school throughout the Presidency and proposes radical changes. The report before us shows that Schools of

similar class have proved bad and are collapsing wherever left to speak itself. The further establishment of such Schools should await some general policy of Government.

In the absence of any instruction to guide District Officers and Local Fund Boards, such Schemes are unavoidably submitted but it is clear that the Sanction of Government must be guided by some sort of principle

and that we must
decline to interfere in these
matters in Communi-
cation with the
Directors of Public
Instruction.
