Proceedings of the Madras Government, Financial Department,
21st January 1874.

No. 136. Read the following letter from J. H. MASTER, Esq., President of the Municipal Commission, Bellary, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Budwhal, 20th December 1873, No. 96 :—

Paragraph 5 of G.O., Financial Department, No. 1402, dated 30th September last, is as per margin.

"The question of excluding the railway premises from the limits of the Municipality (Gooty) should be submitted for the consideration of the Commissioners and specially reported on if necessary."

2. With reference to this, the Commissioners have come decidedly to the opinion that it would be only just to exclude the Railway Station from the municipal limits. A copy of their resolution on the subject is enclosed.

3. The estimated loss which would accrue is eleven hundred Rupees and odd, viz. :—

	Rs.
Assessment on Railway premises	528
Profession-tax	100
Tolls about...	500
Total ...	1,128

4. The Railway Station is two miles distant from the town. This of itself proves the disadvantage of the present arrangements. In the event of the Government being pleased to sanction the request, I beg to submit a statement of the boundaries of the Municipality as they will require to be revised :—

"On the west from the eastern calingulah of the tank to the Adoni Road, to the north of Malik Imam's Mosque.

"On the south from the eastern calingulah to the junction of Anantapur and Tadpatri Roads.

"On the east from the above junction to the base of the Gooty Rock.

"On the north by a line starting from the base of the Gooty Rock, embracing the lower fort skirting Munro's tank-bed, Ramapuram well, and the tope near the Sub-Collector's new office compound, and thence in a straight line to the Adoni Road."

2. The Municipal Board are of opinion that, as they are unable to give the Railway Station any adequate equivalent for the taxes they raise from it, it ought to be excluded from the limits.

* Subsequently corrected to Rupees 1,128, as per letter from the Vice-President.

The Municipality may probably lose somewhere about Rupees 1,700* in Tolls, House-tax, and Professional tax by the change.
