Proceedings of the Madras Government, Financial Department,
29th May 1874.

No. 267. Read the following letter from J. HUNTER-BLAIR, Esq., Collector of Madras, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 23rd May 1874, No. 102 :—

With reference to G.O., dated 14th May 1873, No. 501, and 29th April 1874, No. 726, I have the honour to submit, herewith, copy of a letter received from the President of the Municipal Commission for the Town of Madras, dated 16th May 1874, No. 224.

2. The President has not stated what is the opinion of the Municipal Commissioners in regard to the necessity of assigning a new burial-ground to the Mahomedan community of Black Town.

3. He observes that there is no land in the vicinity of the ground given up to the Monegar Choultry that can be assigned, and that a proposal to extend the Mahomedan burial-ground at Cassimode is under consideration, pending an expression of opinion from the Mahomedan community as to whether it will suit their purpose, which the Cazee has promised to obtain.

From J. G. COLEMAN, Esq., Acting President of the Municipal Commission, Madras, to the Acting Collector of Madras, dated Madras, 16th May 1874, No. 224.

Replying to your No. 198, dated 11th ultimo, on the subject of the Mahomedan burial-ground, I have the honour to inform you that, irrespective of the action taken by my predecessor in this matter, I have, on the receipt of the above letter, made an inspection to ascertain if there is any desirable spot within easy reach of the present Mahomedan burial-ground, but regret to say that I can find no available land. I have, however, in conjunction with the Cazee, ascertained if the present burial-ground at Cassimode could not be extended, so as to meet the increased wants of the Mahomedan community, for which there is no immediate necessity.

2. The Cazee has promised to inquire and let me know the views of that community, and as soon as I obtain them I will communicate to you.

3. The enclosed copy of a letter I have this day addressed the Cazee will explain the cause of the delay on this subject.

From J. G. COLEMAN, Esq, Acting President of the Municipal Commission, Madras, to Cazee GOOLAM MAHOMED, Madras, dated Madras, 16th May 1874, No. 221.

With reference to your meetings of yesterday and the two previous to that, you promised to ascertain and let me know the views of the Mahomedan community in respect to the proposal to enlarge the present burial-ground at Cassimode, for which, as you are perfectly aware, there is no immediate necessity. I shall feel obliged by your communicating to me, without any further delay, their views upon the matter.

No. 268. ORDER THEREON, 29th May 1874, No. 921.

The President of the Madras Municipal Commission will report the result of the correspondence with the Cazee regarding a new burial-ground for the Mahomedan community of Black Town.
