Not to be folded or roughly handled

No. 72. Read the following letter from A. MACGREGOR, Esq., Collector of Malabar, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Calicut, 3rd June 1874, No. 34 :—

I have the honour to inform you that the new cutcherry building which has been erected at Gudalore in South-East Wynaad was planned, with the object of affording accommodation for the Imperial Post Office and for the Police, as well as for the Sub-Magistrate and Deputy Tahsildar's cutcherry. It does not appear, however, that either the Postmaster-General or Inspector-General of Police were consulted as to the plan, and the result is that the Postmaster-General finds the accommodation provided for the Post Office unsuited, and the Superintendent of Police states that the room provided for the Police is insufficient.

2. Prior to the construction of this new cutcherry, the Sub-Magistrate held office in a small building close to the village of Gudalore, and Major Bourke is quite satisfied to be allowed to use this building as a Post Office, repairing it himself, and to surrender all claim to the room intended as a Post Office in the new cutcherry.

3. The Superintendent of Police, on the other hand, states that with the addition of this room the Police will be properly accommodated.

4. As prescribed by G.O., dated 28th April 1874, No. 721, I request that formal sanction may be accorded to the occupation by the Postal Department of the abandoned cutcherry and by the Police of the room in the new cutcherry designed for the Post Office.

No. 73. ORDER THEREON, 10th June 1874, No. 978.

The Governor in Council sanctions the arrangements proposed in paragraph 4 of this letter.
