No. 82. Read the following letter from A. MACGREGOR, Esq., President of the Local Fund Boards, Malabar, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Calicut, 2nd June 1874, No. 86 :—

I have the honour, in anticipation of the completion of the Vythery hospital building, to address you on the subject of the medical attendance to be provided for the institution.

2. There is at present no Government Medical Officer at Vythery, but a Hospital Assistant is stationed at Lackadie, the head-quarters of the Special Executive Engineer, three miles off, and he is supposed to attend to the sick of the Police and Revenue Establishments at Vythery.

3. There are two European private medical practitioners resident at Vythery, either of whom would, I have no doubt, for a small monthly remuneration, undertake the supervision of the hospital.

4. If the Hospital Assistant now stationed at Lackadie could be removed to Vythery and placed in immediate charge of the hospital under the superintendence of one of the medical men, the arrangement would be, I think, satisfactory.

5. The pay of the Hospital Assistant might, as hitherto, be borne by Government, the allowance of the Superintending Medical Officer being paid by the Local Fund Board, with whom the selection should lie.

6. As the Hospital Assistant has hitherto been attached to the Department of Public Works, I have furnished Colonel Kennedy with a copy of this letter in case he may have any objection to urge to the proposed arrangement.
