No. 108. Read the following Proceedings of the Board of Revenue, dated 4th May 1875, No. 3760 (Miscellaneous) :—

Read the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Camp Palmanair, 29th July 1874, No. 408 :—

Adverting to paragraph 3 of the Board's Proceedings, dated 29th May last, No. 1294, I have the honor to submit the following explanations on the points noticed in paragraphs 4 and 5 of the Government Order, dated 28th April 1874, Financial Department.

2. With regard to the remarks of Government that no opening balance has been entered in the Budget to the credit of the Devastanam Dispensary at Tripatty, I beg to state that the Mahant of Tripatty, through whose contribution the above institution is kept up, has not paid for the last two official years the whole of the annual contribution of Rupees 3,600 promised by him. The working charges for want of proper accommodation, in consequence of which no in-patients are admitted, have been hitherto averaging much below the above sum, and the Mahant has therefore been regulating his payments in proportion to actual requirements.

3. Adverting to paragraph 5 of the Government Order quoted, I beg to observe that a balance of Rupees 5,160 under "Road Fund" was purposely reserved in the Budget to provide for the cost of supervision, as there would be no funds to meet such charges were the entire sum under "Reserve" allotted and to have on hand a moderate balance at the close of the year. It was therefore thought advisable to postpone such of the works recommended by the District Engineer as were not urgently required.

Submitted for the information of Government.
