Proceedings of the Madras Government, Financial Department,
22nd January 1875.

Local Funds—Budget.

Read the following papers:—

No. 152. Proceedings of the Board of Revenue, dated 30th October 1874, No. 3140.

Read the following letters:—

From the Acting President of the Local Fund Boards, Madura District, dated 28th September 1874, No. 102.

ABSTRACT.—Requesting sanction for the establishment of a new Dispensary at Usilampatti, and for the increase of establishments in certain other Dispensaries in the ensuing year.

From the same Officer, dated 28th September 1874, No. 103.

ABSTRACT.—Forwarding the Local Fund Budget of the Dindigul Circle for 1875-76.

THE Local Fund Budget Estimates of the Dindigul Circle for 1875-76 are submitted for the orders of Government.

2. STATEMENT I.-A., REVENUE AND RECEIPTS.—The Local Fund assets of the Circle amount to Rupees 1,65,700 made up of—

	RS.
1. Balances	21,000
2. Allotment from General Revenues	55,270
3. Rates and Taxes	85,000
4. Contribution from Municipality	230
5. Endowments, etc., ...	3,210
6. Miscellaneous	990
Total...	1,65,700

3. The balances appear to have been correctly calculated as explained by the President, except that he has thought it unnecessary to take into account savings in allotments for New Works, because they will have to be re-allotted in the list of incomplete works. The balance should be the actual balance, however it may accrue. The Budget is only of use in so far as it approximates to the reality in this and other cases. The reserve is provided expressly for incomplete works amongst other things.

4. The cess on land is estimated at Rupees 81,000, or Rupees 2,000 more than the current year's estimate. The amount is fixed with reference to the jummabundi of Fasli 1283.

5. Tolls are expected to yield no more than Rupees 4,000, the actual collections in 1873-74. The attempt to lease the toll at the Andipatty Pass, sanctioned in G. O., Financial Department, dated 22nd September 1873, No. 1,352, having failed because no bid was made, the President was allowed to continue keeping up the usual toll establishment for the collection of tolls during the current year. In a recent letter, the President, under instructions from the Circle Board, applied to the Board for permission to try the experiment of putting the right of collecting these tolls for one year up to auction at an upset price of Rupees 4,500. The President in reply was informed that the proposal was admissible under the G. O., quoted above.

In Board's Proceedings, dated 25th June 1874, No. 1,575.

Dated 2nd October 1874, No. 104.

6. The fees from Travellers' Bungalows are double those of the current year, because fees are now being charged at the Battalagunda Department Public Works Tool-sheds on which Rupees 445 have been spent out of Local Funds to fit them for the use of travellers.

7. The receipts are—

	RS.
Road Fund	1,29,070
Endowment Fund	5,160
General Fund	31,470
Total...	1,65,700

8. STATEMENT I.-B., EXPENDITURE.—The total proposed expenditure is Rupees 1,61,340 made up of—

	RS.
Grant I.	
Do. II.	1,33,230
Do. III.	8,050
Do. IV.	18,440
	1,620
Total...	1,61,340

9. GRANT I., STATEMENT II., ROAD FUND RECEIPTS AND EXPENDITURE.—The Road Fund assets are estimated at Rupees 1,29,070, and the expenditure at Rupees 1,28,540, leaving a balance of Rupees 530.

10. On the expenditure side, the following allotments have been altered. Share of the cost of the Controlling establishment, etc. from Rupees 1,170 to Rupees 1,130, Tools and Plant from Rupees 910 to Rupees 920, Reserve from Rupees 11,100 to Rupees 11,110.

11. STATEMENT II.-A., PART I., NEW WORKS.—Part I. contains thirteen items with an aggregate allotment of Rupees 50,280.

12. Items Nos. 3 to 7 and 9 are unsanctioned, and the estimates are said to be under preparation. An estimate, amounting to Rupees 5,310, has been submitted to the Board for the twelfth item, viz., the Dispensary at Uttamapoliem, and in a memorandum from this office, dated 21st August 1874, No. 1,345, a plan of the proposed building was called for. The President is requested to expedite the despatch of the plan without which the estimate cannot be disposed of.

13. PART II, REPAIRS.—Part II. contains eighteen items with a total assignment of Rupees 46,400. It will be observed that the maintenance grants in some cases have been raised, while in a few others they have been reduced. The President states that the rates of maintenance grants have been settled in consultation with the District Engineer with reference to the amount of traffic, cost of labor, etc.

14. No provision is made in the present list for the maintenance of Road No. 32 from Dindigul to Aravacoorchy, as it will be under construction during the year out of the allotment of Rupees 10,000 in Part I. of the Budget. Item No. 13 has been transferred to the Appendix to Part II., its allotment being only Rupees 1,000.

Item No. 5 in the current year's Budget.

15. Grant I. is thus :—

	RS.
Road Fund	
Endowment Fund	1,27,390
General Fund	1,110
	4,750
Total...	1,33,250

16. GRANT II., EDUCATION.—Grant II. is made up of—

	RS.
1. Payment for inspection	1,150
2. Salary grants	1,450
3. Results grants	5,150
4. Purchase of school-books	300
Total...	8,050

17. The second item is for the salaries of the Masters to be employed in the twenty-four village schools proposed to be established during the current year under the combined system of fixed salaries and results grants, according to the scheme in paragraph 7 of the G. O., Financial Department, dated 30th April 1874, No. 746. The proposals, which are now before the Board, will be

Proceedings of the Madras Government, Financial Department, 22nd January 1875.

shortly laid before Government. The transactions of these schools should be shown in the statements relating to Local Fund Schools. A portion of the expenditure being paid in the form of results grants must also appear in these statements, and as a charge against Local Fund Schools (not results grants) in Statement B. Pending further information which has been asked for, the Board will assume this amount as Rupees 1,000, and deduct it from the allotment for results grants. A revised form of statement will be sent out shortly, and the President will be good enough to adopt it in future and send the revised statement in time to admit of its being embodied in the printed Budget.

18. The total of Grant II, Rupees 8,050, is chargeable to the General Fund.

19. GRANT III., SANITATION, ETC.—Grant III. consists of—

	RS.
1. Hospitals and Dispensaries	6,570
2. Vaccination	3,200
3. Sanitary Establishment, etc.	3,100
4. Choultries	3,740
5. Public Bungalows	90
6. Miscellaneous	1,740
Total...	18,440

20. The first item includes the charges of the under-mentioned Dispensaries :—

	RS.
Periacolum	1,601
Pulney	1,841
Uttamapoliem	1,170
Usilampatti	1,440
Kodaikanal	516
Total...	6,568

21. Only the first three Dispensaries appear in the current year's Budget. The Local Fund Board propose to open, as an experimental measure, a new Dispensary at Usilampatti in the northern part of the Tirumangalam Taluq with the following establishment :—

	RS.
1 2nd-Class Hospital Assistant	40
1 Peon	6
1 Sweeper	4
Total...	50

Should the experiment prove successful, it is the desire of the Local Board to increase the establishment and to place a better qualified and more highly paid Medical Subordinate in charge of the Dispensary. The selection of the place seems to be judicious, and the Board accordingly recommend the proposal for the approval of Government. They think that under the peculiar circumstances of the case, an Hospital Assistant may be allowed to be in charge at first.

22. In paragraph 51 of their Proceedings, dated 16th December 1872, No. 2,396, the Board of Revenue recommended the Circle Board's proposal to keep a Dresser at Kodaikanal on the Pulneys to render medical aid in emergent cases as well as to vaccinate. The salary and allowances of the Dresser have hitherto been debited to the head "Vaccination," but it is now proposed to charge his salary and house-rent to "Hospitals and Dispensaries" from 1st April 1875, leaving only the travelling allowance

Recorded in G. O., Financial Department, dated 3rd February 1873, No. 158.

which may be drawn by him when on tour among the Hill villages on vaccination duty to "Vaccination." The Board see no objection to the proposal.

23. A provision of Rupees 720 is made in the Budget for the salary and allowances of the Hospital Apprentice attached to the Pulney Dispensary instead of Rupees 900. The salary of the midwife sanctioned in G. O., Financial Department, dated 6th August 1874, No. 1,293, is Rupees 15 and not Rupees 10 as provided in the Budget. The necessary alterations have been made in this office.

24. The sanction of Government is requested for the entertainment, etc., of the following additional establishment from 1st April 1875 as proposed by the Local Board :—

For the Periacolum Dispensary...	1 Midwife on	Rupees	10	a-month.
	1 Compounder	,,	8	,,
	1 Toty	,,	6	,,
Do. Pulney do. ...	1 Toty	,,	6	,,
Do. Uttamapoliem do. ...	1 Sweeper from	,,	3 to 4	,,

25. The total cost on account of Hospitals and Dispensaries amounts to Rupees 6,808.

26. The particulars of the allotment for Vaccination are given in paragraph 28 of the President's letter. It is proposed to employ two additional Vaccinators, one on Rupees 18 and another on Rupees 10 a-month.

27. Under the item "Sanitary Establishment, etc.," a sum of Rupees 600 is entered as "Contributions," which is intended for the Sanitary Association lately formed at the town of Pulney. The history of this Association is given in the Sub-Collector's letter embodied in Board's Proceedings, dated 17th August 1874, No. 2,279, a copy of which is herewith submitted for the information of Government. The amount should not be shown separately under a new head "Contributions," but should be shown in Statement IV-B, as is now done in the Salem and Coimbatore Districts.

28. The President strongly objects to the contribution of Rupees 1,370 to the Reverend E. Chester's Dispensary at Dindigul, and submits copies of correspondence on the subject. The Board observe that the matter is now before Government, and, pending their orders, the provision will be allowed to stand.

29. There is an increase of Rupees 40 in the cost of the bungalow establishment caused in consequence of the proposed employment of a Pensioned Sepoy on Rupees 3 per month at the Battalagunda Bungalow, which is noticed in paragraph 6 *supra*.

30. Grant III is—

	Rs.
Endowment Fund	3,670
General Fund	15,010
Total...	18,680

31. GRANT IV.—The contribution for the Controlling establishment is reduced to Rupees 520, and the provision for the Collector's office establishment is raised to Rupees 290, pending the review of the Budget of the other Circle.

32. Grant IV is—

	Rs.
Road Fund...	1,130
General Fund	320
Total...	1,450

33. The General Reserve should be Rupees 3,050.
