No. 182. Read the following Proceedings of the Board of Revenue, dated 13th May 1875, No. 4197 (Miscellaneous):—

Read the following letter from C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Salem, 29th August 1874, No. 776:—

I have the honor to submit the report called for in G.O., No. 746, dated 30th April last (paragraph 4).

2. A statement showing the number and names of the Travellers' Bungalows in the district, together with other particulars in Form IV.-A of the Budget Statement has already been submitted with this office letter, No. 485, dated 3rd June last.

3. With regard to the cessation of contributions of the District Officers, I have the honor to state as follows.

4. On receipt of the G.O., No. 966, dated 22nd July 1872, sanctioning the transfer of all the Travellers' Bungalows in the district (both Government and District Officers) to the respective Local Fund Boards, the management of these institutions was made the subject of consideration of the Boards, and a set of Rules for their management, as well as a scale of subscriptions payable by District Officers were adopted by them, and circulated to all the officers who had before subscribed towards the up-keep of the bungalows, and who were allowed the option of either compounding with the Local Fund Board, or paying the bungalow fee. Only three officers continued their subscriptions, but all the others preferred paying the bungalow fee. Of the above three officers, two have left the district, and one has discontinued his *subscription*.

With regard to the large sums assigned to repairs, &c., I have the honor to state that most of the roads in the Salem Circle having been considerably damaged by the heavy rains that fell in last year, it became necessary to allot large sums for their restoration and maintenance.

Submitted for the information of Government, with reference to paragraph 7 of the Board's Proceedings, dated 18th March 1875, No. 646.
