No. 189. Read the following Proceedings of the Board of Revenue, dated 12th May 1875, No. 1,249 :—

Read the following letter from C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 5th April 1875, No. 422 :—

I HAVE the honor to forward herewith, for the consideration and orders of Board and Government, a resolution of the Local Fund Board of Oossoor under date the 12th March last, as well as a copy of the Vice-President's memorandum on which the Board's resolution is based.

2. The Local Fund Board propose to entertain three Vaccine pupils, to be attached one to each dispensary in the Circle for instruction in vaccination, and to keep them as a reserve from which to fill up vacancies in the permanent establishment of Vaccinators, whenever there may be any, either from suspension, leave, or any other cause. The services of this establishment may also be utilized during times of prevalence of small-pox on any extensive scale, when there may be necessity for employment of extra hands to prevent its extension. I consider, therefore, the proposal of the Board a very good one, and well deserving consideration at the hands of Government.

3. The salary of each Vaccine pupil has been fixed at Rupees 5, and the sum of Rupees 180, which is required for three pupils, can be met from the 300 Rupees provided in the budget for Midwives, and which, under the circumstances stated by the Vice-President, is not required for the purpose, and may, therefore, be applied to any other object.

ENCLOSURE No. 1.—Memorandum of Vice-President.

ENCLOSURE No. 2.—Extract from Proceedings of Local Fund Board.

SUBMITTED for the sanction of Government.

2. The Oossoor Local Board propose to attach pupils to the three dispensaries to be taught how to vaccinate. They are to receive Rupees 5 per mensem, and will be available to fill up vacancies, temporary or other, on the regular staff or for employment in emergency. The plan seems to the Board a good one.
