2. The increase being done mainly for improving the position of the salt establishment, for which no special assignment has been made to Provl Services, the Governor in Council is of opinion that application should be made to the Govt of India, through the Revl Department, for a transfer of funds from the grant under salt to meet the additional charge for police.

3. The ~~aggregate charge~~ Provincial Budget Grant for Police in 1875-76 is Rs 36,00,000. It is considerably above the amount transfered × from Imperial Revenues to Provincial Services, and those services cannot bear any further charge for Salt funds required purely for the benefit of Imperial Revenues.

× about Rs 33,00,000.
