No. 213. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, Fort St. George, dated Simla, 8th May 1875, No. 289 A-G.

Account—General.

I am directed to acknowledge receipt of your letter, No. 553, dated the 26th February 1875, giving cover to certain papers showing the inability of Cantonment Funds to bear the charge for the Lock Hospital proposed to be built at Wellington. In reply I am to inquire why the Municipal Funds of Coonoor, which will apparently benefit by the proposed building, should not bear a portion of its cost. I am also to ask why the work should cost so much as Rupees 12,720, which appears to be a large sum to spend on a Lock Hospital.

2. Pending further orders on the subject, the work should be removed from the Madras Budget Estimate for 1875-76, in which it appears under the head of Class C.

Referred to the Financial Department in view to ascertain if the Municipality are prepared to bear a portion of the cost of construction of the Lock Hospital.
