Local Funds—Roads.

No. 232. Read the following Proceedings of the Board of Revenue, dated 11th May 1875, No. 1229:—

Read the following letter from D. BUICK, Esq., Acting President of the Local Fund Boards, Malabar District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Calicut, 20th April 1875, No. 54:—

I HAVE the honor to bring to the notice of the Board the annexed correspondence between the Nilgiri and the Calicut Local Fund Boards regarding the charge of, and liability for, the portion of road, three miles, between Hickanulla and Tippacadoo on the Karkur Road.

2. This portion of the road was formerly included in the Nilgiri Range, but it was subsequently shown to belong to Malabar, and accordingly the Calicut Circle has contributed last year Rupees 330 for its upkeep to the Nilgiri Local Fund Circle, the management of the road remaining by arrangement with the Nilgiri Local Board.

3. The latter Board are now desirous of terminating this arrangement: the subject has been under the consideration of the Local Fund Board, Calicut Circle, and the following is their opinion on it:—"The Board have already resolved to share with the Nilgiri Circle the expense of keeping up this line, which is common to the Segoor Ghaut Road and the Wynaad Road. If Government decide that the whole upkeep is to be borne by this circle the Board trust that at least that portion of Provincial grant to the Nilgiris which represented the maintenance of those three miles at the time of transfer from Imperial to Local Funds may be also assigned to them."

ENCLOSURE No. 1.—Copies of Correspondence.

SUBMITTED to Government in continuation of Board's Proceedings, dated 30th April 1875, No. 1103.

2. The Calicut Board do not press the claim to half the tolls on the Segoor Ghaut, but beg that so much of the Provincial grant to the Nilgiri Circle as represents the upkeep of this road may be transferred to them.

3. If this portion could be definitely ascertained, and if the Provincial grants to the Calicut Circle had always been restricted with reference to considerations of the kind, the suggestion might be considered reasonable. As it is, the sum involved being very small, the Board adhere to the recommendation made in the Proceedings above quoted.
