No. 737. Proceedings of the Madras Government in the Financial Department, dated 6th April 1875, No. 750.

From E. B. POWELL, Esq., Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 24th March 1875, No. 648.

ADVERTING to G.O., Financial Department, No. 2,171, dated the 29th December 1874, paragraph 17, I have the honor to submit an estimate of the income of the Educational Building Fund for the year 1875-76. It was necessary to obtain a statement of the income of the fund from the Accountant-General.

THE estimate of the income and charges of the Educational Building Fund, submitted with this letter, shows that a sum of Rupees 1,19,741 is available for expenditure during the year 1875-76. Of this amount Rupees 29,920, adverted to in paragraph 17 of G. O., dated 29th December 1874, are for "Original Works" and "Repairs;" the difference between that amount and the amount (Rupees 50,000) entered in the Budget is Rupees 20,080, which it is stated is "on account of grants to private schools." The schools have not been specified, but the Director will be requested to furnish a list of them.

2. Deducting the probable charges (Rupees 50,000) the balance available is Rupees 69,741, from which Rupees 24,093 will, subject to adjustment, be transferred to the Public Works Department on account of supervision for the works indicated in paragraph 6 of the Order of that Department, dated 16th March 1875, No. 735.

* Rupees 69,741
„ 24,093
† Rupees 45,648

3. The available balance* will thus be reduced to Rupees 45,648.†

4. The estimate is approved and passed.

Proceedings of the Madras Government in the Public Works Department, dated 16th March 1875, No. 735.

ABSTRACT.—Passing orders on the Provincial Budget Estimate for 1875-76.

ORDERS having already been issued separately sanctioning an allotment on account of Public Works Supervision for the "Educational Fund Works," all that is needed now is to make the requisite allotments for supervision in connection with the Police Lodging Fund, and the Port and Canal Funds, referred to in paragraph 7 of the foregoing order.

2. *Police Lodging Fund.*—The balance under this fund, as per Order, dated the 31st March 1875, No. 736, (Judicial,) is Rupees 22,618-8-0. From this Rupees 2,325½ will be allotted on account of Public Works Supervision for alterations proposed in the Inspector-General's Office estimated at Rupees 9,302.

3. *Port Fund.*—The works to be carried out from this fund are estimated at Rupees 20,436 ; the charge for Supervision, at 25 per cent., amounts to Rupees 5,109. This is assigned. The probable balance under the fund will be reduced to Rs. 87,303.

4. The charges on account of the Canal Fund are set down at Rupees 17,200. From G. O., Financial Department, dated 12th February 1875, No. 308, paragraph 12, it appears that under "Cochrane's and Sadras Canal Fund" the cost of "New Works" was estimated at Rupees 4,100, and of "Repairs" at Rupees 24,100, or together Rupees 28,200, for which Rupees 7,050 were provided for "Public Works Supervision" at the rate of 25 per cent. It is not clear therefore what further allotment is needed for Supervision on account of Establishment.

5. The charge for "Political Works" being a charge against Provincial Services, the cost of Supervision must be met from those services in common with all other works undertaken from Provincial Funds. There is no separate fund for the execution of such works.

6. No grant has yet been made by the Government of India on account of the Upper Godavery Works.

7. The transfer of Rupees 3,229 from the sum of Rupees 7,229 for the Subsidiary Jail at Kavali is approved ; but the transfer of Rupees 4,000 for improvement to the Sub-Collector's Cutcherry at Darsi is not approved, the object of the Convict Labor Fund not being to provide for such buildings, but only for buildings connected with Jails.

8. The Accountant-General is authorized to make the needful transfer of funds to the Public Works Department.

No. 739. ORDER THEREON, 30th April 1875, No. 1,211.

ACCOUNT, No. 34.

IT is observed that, as the full sum of Rupees 24,093 has been provided in G. O., No. 750, dated 6th April 1875, on account of Public Works Supervison for the Educational Fund Works indicated in paragraph 6 of Public Works G. O., No. 735, dated 16th March 1875, the allotment of Rs. 2,720* previously made on this account in G. O., No. 2,171, dated 29th December 1874, is unnecessary.

* Included in the sum of Rupees 29,920 alluded to in paragraph 18 of G. O., No. 2,171, of 29th December 1874.

2. The Financial Department is informed, with reference to paragraph 4 of the above order, that, at the time of making the distribution of the grant from Provincial

Funds in G. O., No. 735, dated 16th March 1875, the entries in the Budget Estimate only represented the ordinary maintenance allowance for the canals as below :—

	Rs.
1. Northern Canal, Coum River	7,000
2. Dugarazpatnam to Canapoor	1,200
3. Southern Canal	4,000
4. Vedarniem Canal	5,000
Total ...	17,200

for which sum the regulated proportion for establishments was asked. The detailed Special Fund Budget from the Revenue Board was not received in the Public Works Department at the time the order was passed.

3. His Excellency the Governor in Council observes that the necessary orders have already been issued with the view to the inclusion of all work from Canal Funds to be carried out by Public Works Officers in the Budget of Provincial and Special Works. A copy of the Order (No. 160, dated 20th March 1875) will now be communicated to the Financial Department.

4. With reference to paragraph 7 of the order disapproving of the transfer of Rupees 4,000 for improvements to the Sub-Collector's Cutcherry at Darsi, it is remarked that the work alluded to is mainly the addition of the Sub-Jail to the Cutcherry, and for which estimate was sanctioned in paragraph 3 of G. O., Judicial Department, No. 1,488, dated 11th August 1874.
